

I the undersigned asks to participate in the public selection, for qualifications and examinations, for the awarding of a type B fellowship at **Dipartimento di Bioscienze**, Scientist- in - charge **Prof.ssa Anna Moroni**

[**ATIYEH SADAT SHARIFZADEH**]

## CURRICULUM VITAE

### PERSONAL INFORMATION

|               |              |
|---------------|--------------|
| Surname       | SHARIFZADEH  |
| Name          | ATIYEH SADAT |
| Date of birth | 23, 07, 79   |

### PRESENT OCCUPATION

|             |           |
|-------------|-----------|
| Appointment | Structure |
|             |           |

### EDUCATION AND TRAINING

| Degree                            | Course of studies             | University                       | year of achievement of the degree |
|-----------------------------------|-------------------------------|----------------------------------|-----------------------------------|
| Degree                            | MOLECULAR BIOLOGY OF THE CELL | UNIVERSITA DEGLI STUDI DI MILANO | 2018                              |
| Specialization                    |                               |                                  |                                   |
| PhD                               |                               |                                  |                                   |
| Master                            |                               |                                  |                                   |
| Degree of medical specialization  |                               |                                  |                                   |
| Degree of European specialization |                               |                                  |                                   |
| Other                             |                               |                                  |                                   |

## REGISTRATION IN PROFESSIONAL ASSOCIATIONS

| Date of registration | Association | City |
|----------------------|-------------|------|
|                      |             |      |

## FOREIGN LANGUAGES

| Languages | level of knowledge |
|-----------|--------------------|
| ENGLISH   | B2                 |

## AWARDS, ACKNOWLEDGEMENTS, SCHOLARSHIPS

| Year      | Description of award                                                                                              |
|-----------|-------------------------------------------------------------------------------------------------------------------|
| 2016-2018 | Excellent scholarship from the university for the duration of my course of study in Molecular Biology of the cell |
|           |                                                                                                                   |
|           |                                                                                                                   |

## TRAINING OR RESEARCH ACTIVITY

|                                                                                                                                                                        |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| description of activity: expression and purification of eukaryotic membrane proteins (ionic channels) for Cryo-EM microscopy purposes, from October 2017-October 2018. |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

## PROJECT ACTIVITY

| Year | Project |
|------|---------|
|      |         |
|      |         |

## PATENTS

| Patent |
