CALL FOR APPLICATIONS FOR ADMISSION TO THE FIRST CYCLE DEGREE PROGRAMMES IN
CHEMISTRY (L-27)
INDUSTRIAL CHEMISTRY (L-27)

SPRING SESSION
ACADEMIC YEAR 2018/2019

THE RECTOR

HAVING REGARD TO

Law no. 264 of 02 August 1999 regulating access to university programmes;

HAVING REGARD TO

il decreto ministeriale D.M. 22 ottobre 2004, n. 270 “Modifiche al regolamento recante norme concernenti l’autonomia didattica degli atenei, approvato con decreto del Ministro dell’Università e della ricerca scientifica e tecnologica 3 novembre 1999, n. 509”;

HAVING REGARD TO

The decisions of the responsible academic boards concerning access to university programmes;

DECREES

A spring session for admission to the first cycle degree programmes in Chemistry and Industrial Chemistry for the 2017/2018 academic year.

A further selection will take place in september, for which another call will be published in the next months: every selection will cover a part of the total places available.

Art. 1 - Admission requirements

Italian, European or equivalent candidates’ can take part on equal terms in the spring session of the admission test if:
enrolled in the final year of a secondary school, obtaining their qualification in the 2017/2018 scholastic year

or

holding an Italian secondary school qualification or equivalent qualification obtained abroad

having passed the TOLC-S test provided by CISIA - Consorzio Interuniversitario Sistemi Integrati per l’Accesso

Non-European candidates resident abroad (applying for a study visa) can take part in the september selection, for which a specific call will be published.

Foreign qualifications are valid if obtained after at least 12 years of schooling and if allow the admission to University in the country where they have been obtained. Further information about the foreign qualifications valid for access to University is contained in the relevant annual Ministerial provisions, in particular in the attachments 1 and 2, published on the Ministry website: http://www.studiare-in-italia.it/studentistranieri/.

The eligibility of the foreign qualification in any case is assessed by the University having regard to the ministerial instructions on the subject and in implementation of bilateral applicable agreements.

Art. 2 - Number of places available

The number of places available for enrolment in the first year is determined as follows:

<table>
<thead>
<tr>
<th>Degree programme</th>
<th>Spring session</th>
<th>September session</th>
<th>Total places</th>
</tr>
</thead>
<tbody>
<tr>
<td>Chemistry</td>
<td>40</td>
<td>90 (plus 8 non-UE and 3 M. Polo)</td>
<td>130 (plus 8 non-UE and 3 M. Polo)</td>
</tr>
<tr>
<td>Industrial chemistry</td>
<td>30</td>
<td>60 (plus 8 non-UE and 1 M. Polo)</td>
<td>90 (plus 8 non-UE and 1 M. Polo)</td>
</tr>
</tbody>
</table>

Places left vacant in this session will be assigned during the september session, in addition to those available.

Art. 3 - Registration procedure

Candidates have to:

- Register to TOLC-S on the CISIA portal
- Take the TOLC-S
- Register to the admission exam on UNIMI portal
3.1 CISIA registration and testing

The TOLC-S registration can be done on CISIA portal www.cisiaonline.it, within the deadline published in the online calendar. To take the test it is necessary to pay a 30.00 euros fee.

The TOLC-S test can be taken:

- a) At Università degli Studi di Milano on 9 May 2018
- b) At one of the CISIA test venues according to the calendar published on the website www.cisiaonline.it.

The TOLC-S test can be taken more than once, but no more than once a solar month. For the admission to the programmes, only the result of the last TOLC-S passed within 9 May 2018 will be taken into consideration.

3.2 Application on UNIMI portal

All candidates must register online from 10 April 2018 to 10 May 2018, 2:00 p.m.

To register, applicants must follow the procedure below:

1. Register on the University portal through the page https://www.unimi.it/registrazione/ENG/registra.keb (not required of those already registered on the portal or in possession of university login credentials)

2. Access the online application services using their credentials: http://www.unimi.it/hpsifa/ENG/nonProfiledPage_100.html;

3. Select the programme you are interested in. The application is valid only for the selected programme, candidates interested in both courses must submit two applications.

The online admission form cannot be amended, nor it can be completed with additional documentations once it has been submitted.

Any applicant who provides false details will be excluded from the final ranking list.

Art. 4 - Applicants with disabilities / SLD

Applicants with disabilities and/or with a diagnosis of specific learning disabilities (SLD) must declare their condition and require extra time and/or specific aids for the test during the registration in the TOLC area of the CISIA portal.

They must select Università degli Studi di Milano as test venue and must submit through the CISIA portal suitable certification:

- of specific learning disabilities (SLD) under law no. 170/2010, issued by the National Health Service or accredited specialists or facilities (issued no more than three years earlier if the applicant was underage at the time of the issuance of the certification), together with an ASST conformity document
of status of handicap under law 104/92
of civil invalidity.

Art. 5 - Students coming from other programmes or universities, and graduates
Graduates and students already enrolled in a degree programme at the University of Milan or another university who wish to enrol in degree programmes in Chemistry and Industrial Chemistry, are only exempt from the admission exam if they qualify for admission to second or subsequent years.

To claim exemption they must lodge a special application (available at the following link: http://www.ccdchim.unimi.it/it/index.html - section Avvisi) at the Didactic Secretariat of the relevant degree programme, enclosing a self-certification of all the exams passed, with the dates, results, credits and scientific sectors.

The application must be lodged no later than 13 July 2018.

The application will be considered by the Teaching committee of the corresponding degree programme which will rule on the question. If the Committee finds that the applicant cannot be admitted to second or subsequent years, the applicant has to sit for the following admission exam.

The outcome will be published within 31 July 2018 on the website of the Didactic board: http://www.ccdchim.unimi.it/it/index.html.

Art. 6 - Admission exam
The TOLC-S is a tool of assessing one’s initial preparation composed by 50 questions divided in 4 sections:

- Basic Mathematics - 20 questions in 50 minutes
- Reasoning abilities and problem solving - 10 questions in 20 minutes
- Text comprehension - 10 questions in 20 minutes
- Basic Science - 10 questions in 20 minutes

Indications for the preparation of the exam are available at the website http://www.test.scienzemfn.unimi.it/wp/.

Art. 7 - Examination assessment criteria and ranking list
The admission exam answers are scored as follows:

- 1 point for each correct answer,
- –0.25 points for each wrong answer,
- 0 points for no answer and for deleted or illegible answers.
For each exam, the examining committee compiles a ranking list according to the following criteria:

- total point score;
- in the case of equal total score, priority is given to the candidate with the better score in the section Basic Mathematics and, later, in the section of Text comprehension.

Candidates who score fewer than 25 points, the 50% of the total points, will be excluded from the ranking lists.

Those not included in the ranking list will be allowed to sit for the next september selection.

The TOLC-S test can be taken more than one time, but no more than once a month (solar month). Only the result of the last TOLC-S passed from 1 January 2018 and within the deadlined set by this Call will be taken into consideration.

Art. 8 - Examining committee

The examining committee is appointed by the appropriate academic bodies.

During the exam the committee will be assisted by teaching and administrative staff, who will be responsible for supervising and identifying candidates.

Art. 9 - Ranking list publication and enrolment

9.1 Ranking list publication

The ranking list for each degree programme will be published on the University website, at the following page: www.unimi.it - Online services SIFA - Admission Ranking Lists (http://www.unimi.it/hpsifa/ENG/nonProfiledPage_100.html) from 15 May 2018, after 2:00 p.m.

Publication of the ranking lists constitutes official notification to those concerned.

9.2 Enrolment reservation

Place winners must reserve their enrolment online by 2:00 p.m. on 25 May 2018 through the online Enrolment service at the page: http://www.unimi.it/hpsifa/ENG/nonProfiledPage_100.html.

During the enrolment reservation, they are required to pay 86.00 euros as pre-enrolment fee. This amount has to be paid within 25 May 2018. The pre-enrolment fee cannot be refunded even if the candidate will not complete the enrolment.

Winners who do not reserve enrolment by the above date and time tacitly withdraw from the course.
After the abovementioned deadlines, any other place left vacant will be available for the September 2018 selection.

9.3 Enrolment confirmation and balance payment of the first instalment for 2018/2019 academic year

Candidates who reserved their enrolment in accordance with the deadlines and procedures of this Call have to confirm their enrolment paying the balance of the first instalment between 16 July and 24 August 2018, following the procedure indicated at the moment of publication of the ranking list.

Admission to the programme is subordinated to the achievement of the secondary school qualification within the mentioned deadlines.

Art. 10 - Bridging courses

Enrolled students who scored fewer than 10 points in the section of Basic Mathematics, the 50% of the total points of the section, are required to do bridging courses (obblighi formativi aggiuntivi, OFA).

Point scores gained in the different sections will be published on the website: www.unimi.it - Online services SIFA - Admission Ranking Lists (http://www.unimi.it/hpsifa/ENG/nonProfiledPage_100.html).

Activities of tutorship will start in October, followed by a test for the recovery of the OFA; the students who will not pass the test will not be able to sit for exams of the second year without having passed the exam Institution of Mathematics.

Art. 12 - Procedure Manager and contacts

Pursuant to law no. 241 of 7 August 1990 the manager of the procedure related to this announcement is Ms. Monica Delù (Head of the Students Welcoming Service).

For any further information regarding the content of the call please use the Infostudenti service (www.unimi.infostudente.it) by selecting the category: “Test, bandi e graduatorie”.

For any request related to TOLC-S please address to the CISIA Help Desk at the link http://helpdesk.cisiaonline.it/.
* For the specific purposes of these provisions citizens of Norway, Iceland, Liechtenstein, Switzerland, the Republic of San Marino, refugees and beneficiaries of subsidiary protection, personnel serving in foreign diplomatic missions and in international bodies with headquarters in Italy – accredited by the Italian State or the Holy See – as well as their dependent family members (spouses and children only) are considered equivalent to EU citizens. Also non-EU citizens who hold a Residence Permit issued in accordance with art. 26 of law no. 189 of 30 July 2002 have access to university education under the same conditions as Italian students.
