The University of Milan invites applications for an academic study period at George Mason University (Faifax- VA, USA).

In the frame of an academic agreement involving students of the “Bachelor Degree program in Comunicazione e Società (CES)” and the “Master Degree program in Comunicazione Pubblica e d’Impresa (COM)”, 2 students will be selected to spend a semester at the partner university (4 months, from January to May, 2019).

Study abroad provisions

The study period abroad will be recognized as part of the academic program. The study period abroad cannot be carried out immediately after a previous academic mobility.

The study plan to be carried out abroad will be agreed and formalized through a Learning Agreement signed between the academic coordinators of both Universities (Home and Host Institution) and the student, prior to departure.
Admission requirements

Students more than one year behind their study program (fuori corso) cannot apply; CES’s students must be at least in their second year during academic year 2017-2018.

The following eligibility requirements must be satisfied when applying:

- applicants must be regular students of the Bachelor Degree Program in CES and the Master Degree Program in COM;
- applicants’ weighted cumulative grade point average must be no less than 26/30;
- applicants must prove their English proficiency (TOEFL 80 for CES, 88 for COM) or IELTS (6.5).

Proficiency statements made by a language teacher whatsoever will not qualify. Likewise, credits earned in “Accertamento delle conoscenze linguistiche” during the students’ academic studies will not qualify, unless they have been issued as a result of the students’ participation in a language course organized by Servizio Linguistico dell’Ateneo di Milano - SLAM, therefore accompanied by the certificate of level previously referred to.

If students do not have any valid language certification, they can prove their English language skills by submitting, when already obtained, a certificate of level issued by SLAM.

Lacking any language certification or any SLAM’s certificate of level, students can self-certify their English language proficiency, by filling up and submitting the form here attached (Annex I). English language skills will at any rate be tested during the interview.
