After-selection Kick-off meeting

International Mobility Office
Outgoing mobility
1. The first steps after the results

- You must write to mobility.out@unimi.it if you wish to withdraw from the programme
- Erasmus code Unimi: I MILANO01
Nomination

The International Mobility Office sends out nominations following partner Universities’ deadlines.

Afterwards, Host Institutions generally send a communication about the application directly to your University’s e-mail address: we encourage you to check it regularly.

ATTENTION: not all Universities necessarily follow this procedure, so we recommend that you contact your host university and that you check procedures and deadlines directly on their websites.
Generally speaking, an application shall include:
- Copy of a valid ID/Passport;
- Certificate of the foreign language used abroad;
- Transcript of records in English (you may request it in advance to mobility.out@unimi.it by writing your student number, too);
- Start and end time of your mobility (and the semester(s) you will study abroad);
- Request for a University accommodation, when offered;
- The Learning Agreement;
- Document stating your Erasmus student status, your grant or insurance coverage
- *Other possible documents*
THE LEARNING AGREEMENT (L.A.)

The Learning Agreement is a document that certifies the educational/training programme that you will follow abroad. It must be approved BEFORE your departure.

-----

Unimi requires all its Erasmus students to draft their L.A. online, on an online platform. This platform must be used to draft the first version and any other subsequent changes.

-----

If the Host Institution requires you to draft a L.A. in their own form, it is necessary to fill in BOTH forms.

REMEMBER: 1 academic year = 60 ECTS; 1 semester = 30 ECTS; 1 trimester = 20 ECTS

**Unimi Academic Coordinator/Erasmus Help Desk**

**WHEN?**

You will be informed when the online portal will open (generally in the beginning May)

By the set deadline (around mid-June). You will get all information by email)

Learning Agreement: WHO/WHEN/WHERE?

WHERE?

Prior to departure

- Meetings for successful applicants
- Learning agreement
- Language courses

The International Relations Office regularly publishes information on the Erasmus grants and on the required paperwork that students are expected to submit in order to receive the grant's payment.

Before leaving, students must sign the Mobility Agreement, which states the conditions related to the period of study abroad. The hard copy of the Mobility Agreement must be sent/handed in to the International Mobility Office. The office will then submit the document to the chancellor for signature.

The following attachments are an integral part of the Agreement for students going abroad with Erasmus:

- Attachment II Erasmus General Conditions
- Attachment III Erasmus Student Charter
- Attachment IV Insurance Cover
The first page of your L.A. has your personal data, the «field of study», the administrative contact person at Unimi, the foreseen starting and ending date of your mobility. You can also see the number of modified versions you created (Version 1, version 2… and the drafting date).
The second page of your L.A. states the study/research/internship programme you will follow abroad. The left column lists the activities and the credits abroad, while the right column lists the corresponding Italian ones (ECTS= CFU). Read carefully the instructions written online and remember to report all the corresponding activities between exams (1>1 ; 2>2; 3,3>3 etc.)

The final page must always have 3 signatures: yours, your coordinator’s and that of the responsible person abroad—even for each change that may occur.
You must ask your Erasmus coordinator at Unimi to sign and approve your L.A. draft.

After you have this document signed, you have to send your Learning Agreement to your Host University to get the final approval.

Once you have all three signatures, please send the FINAL APPROVED VERSION to mobility.out@unimi.it, at least two weeks before you arrive abroad,

EXCLUSIVELY FOLLOWING THIS MODALITY:

- Putting as an object: Sending Learning Agreement of SURNAME Name for Erasmus Code

BEFORE DEPARTURE: The Mobility Contract

The Mobility Contract is provided for by the International Mobility Office. The timing and way of reception will be given soon. You must draft it online, print it and sign it. Our office must receive the hard copy of it before you leave. This is a compulsory document.
BEFORE DEPARTURE: THE OLS TEST

• The licenses to sit the test and the course will be sent to @studenti.unimi.it automatically, are limited and valid for 1 month: do not miss the deadline and frequently check the Spam folder, too;
• Results are not binding
The University of Milan offers through SLAM some intensive free language courses for selected student, in the first weeks of July. The International Mobility office will send you a form to fill in order for interested students to show their availability.
SLAM organises **linguistic tests** as well, in order to obtain a certification of the level you need to achieve in order to submit your application.

It is possible to enroll in a test session by following the instructions available here: [http://www.unimi.it/studenti/106829.htm](http://www.unimi.it/studenti/106829.htm)

Unimi has its own form of Certificate of Stay; you can find it here.

In some case Host Universities use their own form: that is valid too, as long as it is handed in in its hard copy.
