POSIZIONE RICOPERTA

Full professor

WORK EXPERIENCE

2008 - **Full professor of Sensory & Consumer Science**

Università degli Studi di Milano

1995 - 2008 **Associate professor in Food Technology**

Università degli Studi di Milano

1992-1995 **Associate professor in Unit Operations of Food Technology**

Università di Catania

1990-1992 **Researcher position**

Università degli Studi di Milano

1985-1988 **PhD in Food Biotechnology**

Università degli Studi di Milano

EDUCATION AND TRAINING

1988 **PhD in Food Biotechnology**

Università degli Studi di Milano

1983 **MSc in Food Science & Technology**

Università degli Studi di Milano

Communicational, organizational and managerial skills

Excellent communicational skills due to over twenty years of experience as a University professor. Excellent organizational and managerial skills acquired as leader of research groups, as responsible for the unique Sensory analysis & Consumer science laboratory (UNIMI), member of the Faculty of Agricultural and Food Sciences Board and Dean of the PhD course in 'Food Systems'. She has also contributed to the setting up of sensory analysis laboratories. She has taught at Master and Post-graduate Courses in the field of sensory analysis. She has held numerous academic appointments at Italian and international congresses and was involved in different dissemination events for the general public.

ULTERIORI INFORMAZIONI

Publications

Link to IRIS-AIR e/o ORCID database:

https://air.unimi.it/simple-search?query=pagliarini&location=&filter_field_1=publtype&filter_type_1>equals&filter_value_1=Article+%28author%29&sort_by=bi_sort_2_sort&order=desc&rpp=10&etal=0&start=0#.XD9aJv5YZ9A

She has authored the book *Valutazione Sensoriale: aspetti teorici, pratici e metodologici* (Hoepli Ed.) 175 publications, including international and national journals, book chapters and symposia acts on topics regarding the optimization of unit operations in food technologies, sensory & consumer science and human nutrition.

Institutional roles and boards membership

Dean of the PhD course in Food Systems (since 2018)

Member of the Scientific Council of Nutrition Foundation of Italy - NFI (since 2018)

Member of the Faculty of Agricultural and Food Sciences Board (2014-2017)

Member of the Executive Council of the scientific Italian Society of Food Science and Technology - SISTAL (2012-2015)

Member of the National Scientific Qualification (ASN) for associate and full professor in the sector 07/F1-Food Science & Technology (MIUR Decreto Direttoriale n. 560 - 29 november 2012) (since 2012 and confirmed in 2016)

Reviewer for the Italian Ministry of Education, University and Research (MIUR) and for the ANVUR (VQR 2004-2010) (since 2011)

Vice-chairman of the scientific society SISS (Italian Society of Sensory Science) and Member of the E3S (European Sensory Science Society) group (since 2011)

Member of the international scientific society ECRO (European Chemoreception Research Organization) (since 2009)

Member of the Board of the Doctorate in Food Biotechnology (now Food Systems) of UNIMI (since 2006)

Member of the Accademia Italiana della Vite e del Vino, Florence (since 2003)

Co-founding member and member of the Executive and Scientific Council of the scientific society SISS (since 2001)

Member of the Board of the Food Quality Centre - Accademia dei Georgofili, Florence (1997-2001)

Coordinator of the GL3 team: Sensory Analysis at UNI Food and Beverages Committee and Italian delegate in the Technical Committee TC34/SC12N of the International Standard Organization (ISO) (since 2000)

Scientific responsibilities in research projects

Responsible as PI or RU of 12 international and national research project

International scientific collaboration

International scientific collaboration with various European and Extra-european Universities including: University of Copenhagen, Wageningen UR Agrotechnology & Food Sciences, Universidad de Castilla La Mancha (UCLM), University of Tirana, EWHA Womans University of Seoul, Universidad Nacional de Colombia, University of Bangor, Universidad Central de Venezuela, Ecole de Ingenieur AgroParisTech, FLAVIC - INRA, Université de Bourgogne & Centre Européen des Sciences du Goût, Dijon.

- Honours and awards** Italian qualification as Full professor in Food Science and Technology (2005)
Awardee of:
- international scholarship as PhD student tutor
 - two national awards as PhD thesis and MS thesis supervisor
 - two national and three international awards as oral presentation and/or poster co-author in congresses and symposiums
- Present teaching activities** Professor for the courses Sensory Evaluation of Food and Data Processing (Bachelor Degree in Food Science & Technology curriculum), Models of Sensory Perception and Food Consumer Science (Master degree in Food Science and Human Nutrition curriculum)
- Formerly** 1992-2013: Professor for the course Quality Control: Sensory Analysis (Bachelor Degree in Viticulture & Enology curriculum)
2001-2012: Professor for the course Sensory Evaluation of Food (Bachelor Degree in Food Service Science and Management)
- Research topic** Food products sensory quality optimization; Food perception, liking and memory; Cross-cultural studies; Sensory perception and eating behavior in childhood; Food sustainability: sensory perception and consumer attitudes; Perceptive and behavioral determinants of obesity

Personal information

I authorize the handling of personal information in this curriculum, according to D.Lgs n. 196/03 and following modifications and Regulations EU 679/2016 (General Regulations concerning Data Protection or GRDP) and art. 7 of University Regulations concerning protection of personal information.

I authorize, according to D.lgs 14/03/2013 n. 33 concerning transparency, in case of conferment of the position and of the fellowship, the publication of this curriculum in the web site of Università degli Studi di Milano in the section "Amministrazione trasparente", "Consulenti e collaboratori".
