Specific Requirements

Who can apply:

- Students enrolled at least in the second year of a Bachelor's degree programme
- Student's enrolled in a Master's degree programme;
- Students enrolled in Food systems PhD.

Students enrolled in Food systems PhD, which can also be found in the Agricultural Biotechnology Area, must apply for destinations of one of the two areas only (please refer to the attached tables)

Selecting criteria:

Evaluation of student's Learning Agreement proposal and motivations:

Minimum score 1	Maximum score 5
------------------------	------------------------

Evaluation of CV and previous academic career:

Minimum score 1	Maximum score 5
------------------------	------------------------

Evaluation of language skills:

Minimum score 1	Maximum score 5
------------------------	------------------------

Language skills Assessment: language skills must be documented through an official certificate / SLAM certificate. In case of tie, the official certificate / SLAM certificate attached to the application will be used as a selection criterion, as some Host Universities require a language level higher than A2 (please refer to the specific tables referred to the Host Universities). Only certificates issued no longer than 5 years ago will be considered as valid.
