

PHOTOGRAPHIC SERVICES
FOR GRADUATION SESSIONS

We inform upcoming graduates that, on the occasion of final exams, they may be offered photographic services by freelance photographers. Please note that authorized photographers are required to wear a special identification badge, which must be clearly visible.

The unit cost of the photographs, as quoted by accredited photographers, is as follows:

€ 8.00 including VAT - for each 20x25/20x30 colour print

Of course, the student may entrust the service to a photographer of his/her choice. An authorization for access for the photographer must be obtained in advance from the university staff attending the graduation session.

For more information, please refer to the **Regulations for Photographers' Access to Milan University Premises During Final Exams**.
