**PUBLIC COMPETITION FOR 12 MONTHS TYPE B FELLOWSHIP FOR COLLABORATION TO RESEARCH ACTIVITIES IN THE SCIENTIFIC AREA OF BIOLOGICAL SCIENCES**

## **ART. 1 - COMPETITION NOTICE**

According to art. 3 of Regulations, a public competition notice by qualifications and examinations is announced for the assignment of a Type B Fellowship for collaboration to research activities lasting 12 months that could be renewed for the scientific area of biological sciences restricted to doctorate graduates or graduates.

## **ART. 2 - REQUIREMENTS**

All graduates who have an appropriate scientific-professional curriculum to carry out research activities established by this competition notice can participate in this public selection.

PhD or equivalent qualification obtained abroad or, for the areas concerned, specialization in medical area completed by appropriate scientific production is preferential requirement for admission according to this competition notice.

Candidates must meet the following requirements:

- a. Absence of criminal record;
- b. Degree in Agricultural Sciences or Forestry and Environmental Sciences or Chemistry, Chemistry and Pharmaceutical Technologies, Biology, Food Science and Technology or equivalent, from an Italian or foreign university.

Moreover, it is required:

It is also required expertise in the field or research field with previous experience matured in the field of:

1. study of secondary metabolites (polyphenols, terpenes, etc.) of medicinal and non-medicinal plants, with reference to the characterization and enhancement of agrobiodiversity of plant productions with particular attention to autochthonous varieties
2. qualitative characterization of bee products (honey, propolis etc) in terms of macronutrient composition (sugars, antioxidant compounds), aromatic characteristics, melissopallinological evaluation for the enhancement of beehive products in relation to different geographical contexts
3. mastery of hedonistic techniques for the purpose of sensory analysis
4. management and in-depth knowledge of the management of basic analytical techniques based on HPLC-UV, GC-FID, GC-MS, LC-MS platforms in application of nutritional analysis (nutritional label 1169/2011), analysis of volatile substances,

5. collection, data processing and use of programs for basic statistical analysis and chemometry (PCA, LDA etc)

6. excellent knowledge of written and spoken English

They constitute added value: Experience in scientific dissemination, such as: workshops, seminars, conferences, scientific contributions.

Knowledge of language: English and Italian

Qualifications must be owned on the date of expiry established for the presentation of the application form.

Applicants in possession of degrees obtained abroad, who have not the declaration of equivalence, will have to enclose in the application form a translation into Italian or into English of the foreign degree, (Degree with marks earned in each examination and PHD degree), completed by a self-certification related to the correspondence to the original of the translation itself.

The degree earned abroad can be declared admissible, by the Judging Commission, only for purposes related to the selection.

The following qualifications will be evaluated for purposes related to the competition:

- a. PhD in subjects concerning the research or equivalent qualification earned abroad;
- b. Specialization degree in medical area;
- c. Post-graduate degrees;
- d. Attendance of post-graduate courses at Italian or foreign Universities;
- e. Scientific-professional curriculum based on proven experience for research activity already carried out at public and private bodies with contracts, fellowships or appointments, both in Italy and abroad;
- f. Publications in scientific reviews.

For requisitions of admission and incompatibilities please see art. 4, 5 and 6 of Regulations at the link: <https://www.unimi.it/it/ateneo/normative/regolamenti/regolamento-assegni-di-ricerca>

### **ART. 3 - CANDIDATES LIST AND CURRICULA PUBLICATION**

In application of obligations of transparency as from D.lgs. 14/03/2013 n. 33 this competition notice, the list of candidates with their curriculum vitae and the result of each selection will be published on the web site [http://www.unimi.it/ricerca/assegni\\_ricerca/69536.htm](http://www.unimi.it/ricerca/assegni_ricerca/69536.htm).

### **ART. 4 - APPLICATION**

Application forms in plain paper must be written according to the form at the following link: <https://www.unimi.it/it/ricerca/ricerca-lastatale/fare-ricerca-da-noi/assegni-di-ricerca> and include name, surname, place and date of birth, address, telephone number, competition notice information, they must be brought to Ufficio Protocollo dell'Università degli Studi di Milano, via

Festa del Perdono 7 or sent by registered letter with return coupon attached (in this case the stamp and date of the post office will be considered) within **7<sup>th</sup> February 2020** to:

MAGNIFICO RETTORE  
DELL' UNIVERSITÀ DEGLI STUDI DI MILANO  
VIA FESTA DEL PERDONO, 7  
20122 - MILANO

Application forms can also be submitted online, at the following email address: [unimi@postecert.it](mailto:unimi@postecert.it) and [assegni.ricerca@unimi.it](mailto:assegni.ricerca@unimi.it), within the fixed deadline. The application form and any other enclosures requiring the candidate's signature. The message should state in the object field:

**“Domanda concorso Assegno di Ricerca Prof.ssa Annamaria Giorgi - Cod. ID: 4504”**

Application forms not signed or incomplete or sent after the deadline established will not be admitted.

The application form must enclose:

- a. Degree with final mark;
- b. Phd degree / specialization in medical area;
- c. Scientific qualifications, diplomas, scholarships, attendance of post-graduate courses,
- d. Publications
- e. Curriculum of scientific activities.

Documents above mentioned can be presented as follows:

Academic and professional qualifications can be self-certificated (*Enclosure 1*). The other qualifications which require evaluation, publications included, can be presented in original copy or in photocopies by self-declaration in substitution of attested affidavit according to DPR 28/12/2000 n. 445 (*Enclosure 2*).

Candidates who have a degree only must show necessary documents to demonstrate a scientific-professional curriculum and appropriate research experience to carry out research activity as from this competition notice, otherwise they will be excluded from the competition.

## **ART. 5 - CURRICULUM PRESENTATION**

Candidates, by the same time of presentation of the application form, must scan and send to the e-mail address [curriculum.assegni@unimi.it](mailto:curriculum.assegni@unimi.it) a copy of the curriculum vitae in pdf with the ID code with date and signature according to the form at the following link: <https://www.unimi.it/it/ricerca/ricerca-lastatale/fare-ricerca-da-noi/assegni-di-ricerca>

## **ART. 6 - RESEARCH ACTIVITIES**

The Fellowship implies carrying out the activities briefly mentioned below at **Dipartimento di Scienze Agrarie e Ambientali - Produzione, Territorio, Agroenergia** - Centro di Studi Applicati per la Gestione Sostenibile e la Difesa della Montagna - Sedi di Milano (Via Celoria 2) e Edolo (BS) (Via Morino 8) and at **Dipartimento di Scienze Veterinarie per la Salute, la Produzione**

**Animale e la Sicurezza Alimentare** dell'Università degli Studi di Milano and under the supervision of **Prof.ssa Annamaria Giorgi** within the research programme "**Progetto FISR-MIUR triennale "Italian Mountain Lab" - Ricerca e innovazione per l'ambiente e il territorio di montagna**", of the activities mentioned below:

- 1) Study of the effects of the mountain environment (biotic and abiotic factors) on the qualitative, nutritional, health and ecophysiological characteristics of spontaneous and herbaceous mountain species cultivated for herbal / medicinal, food, educational and / or referable to territorial enhancement programs mountain;
- 2) Deepening on the possible aspects and on the ecophysiological meaning of the substances characterizing the investigated species, to be able to foresee / modulate the expression and, more generally, to increase the knowledge concerning the interactions between the living and the biodiversity heritage of the mountain context with the aim of promoting the development of the territory itself.

In particular:

- 1) Development of advanced analytical methods for the chemical and molecular characterization of natural matrices with particular reference to the agro-food plant material, useful for defining the properties, healthiness and any added value deriving;
- 2) Evaluation of the physiological and those aspects related to the interactions and biodiversity of the mountain context;
- 3) Identification of strategies to enhance the species investigated for the benefit of the mountain territory;
- 4) Statistical analysis of data, processing and communication of results

## **ART. 7 - INCOMPATIBILITIES**

For requisitions of admission and incompatibilities please see art. 6 and 8 of Regulations at the link: <https://www.unimi.it/it/ateneo/normative/regolamenti/regolamento-assegni-di-ricerca>

## **ART. 8 - FELLOWSHIP AND INSURANCE**

The Fellowship's yearly gross amount is of **Euro 19.367,00**. The amount is tax free according to art. 4 Legge 13 August 1984 n. 476 and subject, for what concerns welfare regulations, to regulations as from art. 2 paragraphs 26 and following Legge 8 August 1995 n. 335.

University will provide, for the period of the contract of collaboration to research, private insurance cover, with a public liability insurance and industrial accident insurance in favour of the fellow and within carrying out of research activities. The amount of the premium for insurance against industrial accidents is subtracted each year from the remuneration for the fellow.

## **ART. 9 - PAYMENT AND SUPERVISION**

The amount is paid in postponed monthly instalments. The Fellows' duties, established by the individual contract, are performed under the supervision of the Professor coordinator who will verify the activity carried out according to art. 8 paragraph 5 of Regulations.

## ART. 10 - SELECTION PROCESS

Application forms will be examined by a judging Commission, specifically appointed by the Rector (for the composition of the Commission see Regulations, art. 3 paragraph 2). The Commission, within twenty days since the deadline for presenting applications, with justified report, will form a ranking on the basis of a selection of academic and scientific qualifications presented and of an interview aiming at verifying the candidate's aptitude to research and knowledge of the language required. The commission establishes the standards of evaluation first and to evaluate the candidate it can use up to 100 points, 50 for qualifications to divide up in the following way:

- 1) PhD or Specialization in Medical Area up to **15** points
- 2) Scientific-professional Curriculum (post-graduate degrees, certified experience for research activity already carried out at public and private bodies with contracts, scholarships or appointments, both in Italy and abroad) up to **10** points
- 3) Other qualifications established by the competition notice up to **15** points
- 4) Scientific publications up to **10** points  
and for the interview up to **50** points.

The Commission at the end of the interviews will publish the result of the total evaluation for each candidate and will form a ranking on the grounds of the points earned by each candidate, and appoints the winner or the winners when more fellowships must be awarded. In case of equality the youngest candidate will be preferred. The results of the selection are approved by Rector's decree and published on the University web site. Reports by Commission are public.

The interview is public and will take place on **13th February 2020 at 02:00 p.m.** at Dipartimento di Scienze Agrarie e Ambientali - Produzione, Territorio, Agroenergia - Prof. Giorgi Office - Via Celoria n. 2 - Milano

Handicapped candidates, according to Legge 05/02/1992 n. 104, will do explicit request related to their handicap concerning the necessary aid in order to do the interview.

Candidates living abroad can have an interview with electronic procedures that ensure them identification, with the authorization by Examination Committee. Candidates should contact the Direzione Risorse Umane - Ufficio Contratti di formazione e Ricerca ([assegni.ricerca@unimi.it](mailto:assegni.ricerca@unimi.it)), at least one week before the date of the interview, to verify in advance the feasibility. The dates of the telematic interviews are shown art.10 of this call.

The winner will receive communication, by registered letter with return coupon attached, to the address written in the application form, of the assignment of the fellowship. Within 15 days since receiving the communication, unless differently stated, the person concerned must send to the Rector the declarations of acceptance required by the Administration, otherwise he/she will lose the right and within the following 10 days he/she will be called to stipulate a contract of collaboration to research activities.

Candidates who earned their degree abroad and are the winners must send to this Office, together with declarations of acceptance required by the Administration, the official translation with declaration of value of the foreign degree by qualified Italian diplomatic or consular

representations in the country of origin, according to laws in force on the subject. Candidates will be excluded from the selection in case documents do not arrive within such deadline.

For non-EC citizens the fellowship will start after obtaining the entrance visa for scientific research and when research activity actually begins.

Personal states, facts and qualities self-certificated by the winner of this competition will be properly checked by Università degli Studi di Milano, also by sample, concerning their truth.

Declarations and certifications sent in one envelope by registered letter with return coupon attached (stamp and date of the post-office will be considered) will be considered sent in time within the deadline mentioned; on the envelope the competition notice concerned must be shown.

If the activities imply the use of laboratories, work equipment, chemical, physical and biological agents, inclusive of equipments provided with visual display units, the Fellow, according to art. 41 Dlgs n. 81/08, will undergo prior medical examination in order to verify counterindications with reference to activities which the subject should carry out and to evaluate his/her suitability.

#### **ART. 11 - WINNER NOT COMPLIANT WITH COMPETITION NOTICE AND REGULATIONS**

Winners of fellowships who do not comply what established by this competition notice and Regulations lose the right to the fellowship upon Rector's act by previous written communication.

#### **ART. 12 - PLACE AVAILABLE IN CASE OF LOSS OF RIGHT OR RENOUNCE BY WINNER**

In case of loss of the right or lack of stipulation within the deadline established or possible renounce by the winners, fellowships are made available to the candidates usefully placed in the ranking according to what established by Regulations.

#### **ART. 13 - PERSON IN CHARGE OF THIS COMPETITION**

According to Legge 7 August 1990, n. 241 Mrs Anna Tavano Ufficio Contratti di Formazione e Ricerca at Divisione Stipendi e Carriere del Personale - Via S. Antonio n. 12, Milano is in charge of the competition as from this competition notice.

For what is not established by this competition notice, please see laws in Regulations and laws in force on the subject.

According to DL 196/2003 University will commit itself to respect all confidential information provided by the candidate: "all information provided will be handled only for aims connected to the selection and to the stipulation and management of relationship with University".

THE RECTOR

Elio Franzini
