

## CALL FOR NOTICE FOR THE ACTIVATION OF FELLOWSHIPS IN THE FIELD OF MEDICINE

- **Preamble**

The University of Milan announces a call for notice to award 1 Clinical Fellowship aimed at offering to promising professionals, primarily foreigners, the chance to attend a training program finalized at providing an advanced education in a specific sector of one of medical sciences specializations, in diagnostic, clinic and therapeutic frame to be activated in clinics affiliated and managed by the University of Milan, through direct care of patients in ward in the pre, intra and post-operative phase, as well as through in-depth study of literature and participation in seminars and conferences.

- **Purpose of this specific call for notice**

As stated above, and according to specific regulation (Decreto Rettorale n.296522 del 04/09/2015), the University of Milan announces a competition for the award of one **Plastic and Reconstructive Surgery Fellowship**, whose training program will focus on reconstructive microsurgery (the aim of the fellowship is to allow the fellow to gain experience in complex reconstructive surgery improving his/her surgical and clinical skills to the point that he/she will be able to perform the cases in autonomy).

The fellow will acquire knowledge of the different diagnostic and therapeutic strategies for complex trauma, congenital malformation, oncological reconstruction.

The training program will take place at:

Ospedale Classificato San Giuseppe - via San Vittore 12 - Milano  
IRCCS MultiMedica, Via Milanese 300 - Sesto San Giovanni (Milano)  
Ospedale di Castellanza, Viale Piemonte 70 - Castellanza (Varese)

The Fellowship Program has a duration of 1 year.

The candidate admitted to the program will receive a scholarship paid in monthly installments.

The candidate who will complete the program according to the intended training plan and that will receive positive remarks in the evaluations, will receive an honorary title of "Fellow of the University of Milan", with the indication of their area of specialization in **Plastic and Reconstructive Surgery and/or Orthopaedic & Trauma**.

- **Admission requirements**

Are able to compete for the Fellowship Program professionals who have already the academic and professional qualifications needed for the exercise of the medical specialist profession in **Plastic and Reconstructive Surgery** and/or **Orthopaedic & Trauma**.

The EU and non-EU citizens who have obtained their qualifications abroad must, before the starting of the fellowship program, have them recognized by the Italian Ministry of Health, in accordance to the specific modalities defined by the Ministry (information on Ministry of Health are available here: <http://www.salute.gov.it/ProfessioniSanitariePubblico>).

Foreign candidates should present an official certificate attesting the level of proficiency of at least B1 level in Italian language; if not available they should be prepared to take an Italian language knowledge test during the selection interview.

- **Scholarships**

The scholarship is of € 3.374,13 monthly, for a total of € 40.489.50 a year, gross of legal charges under the Italian Tax on income claims law, Art. 50 T.U. The scholarship will be paid in monthly postponed instalments.

The University of Milan will activate for the fellow a compulsorily RC Professional medical insurance.

**The granting of the scholarship does not constitute an employment relationship and does not give rise to social security and welfare treatment.**

The scholarship is incompatible with any other funding from University of Milano nor from any other Italian Institutions.

Work activities to be conducted under the program are to be intended as full-time activities, and therefore the fellowship is incompatible with other work commitments.

- **Modalities and terms for the submission of applications and required documentation**

To candidate for the program, applicants are required to present the following documentation:

1. application form prepared using the downloadable form available on the University's website <https://www.unimi.it/it/internazionale/studiare-allestero/cerca-una-opportunita-internazionale> in which indication must be provided on the fellow's motivation for participating to the program as well as a brief description of the fellow's educational and work history;
2. an updated CV of the candidate;

3. two letter of references from professors with which the candidate had cooperated with in the last year;
4. photocopy of an identity document;
5. for foreign candidates, if possessed, a certification attesting their language skills in Italian language (minimum level B1).

The documentation indicated in the previous points 1-4, penalty the exclusion of the candidature, must be delivered in person to the International Relations Office, Via Festa del Perdono, 7 (office hours: Monday to Friday, from 9 to 12) or by e-mail to the e-mail [international.programmes@unimi.it](mailto:international.programmes@unimi.it) by 15/04/2021.

Information relating to this call for notice can be obtained by e-mail at [international.programmes@unimi.it](mailto:international.programmes@unimi.it)

Extra UE citizens who want to apply for the fellowship must contact International Mobility Office for any other needed information.

## • Selections

The candidate is admitted to the Fellowship Program following a selection procedure, based on an interview to be held in front of a Commission composed of the Director of the Fellowship Program and two other professors involved in the implementation of the program.

The contents of the interview will focus on the topic of the Fellowship. In case of foreign applicants, not in possession of an official language certification for the Italian language, the interview will be supplemented by an examination to verify the knowledge of the Italian language.

## • Activation of the fellowship program and specific conditions

The fellowship will after obtaining recognition of Medicine and Surgery degree from the Italian Ministry of Health, if needed, and - for non-EU candidates - after being awarded of research visa. Moreover, before the starting of the program, a professional insurance policy should be activated.

The successful candidate, upon receipt of the notification by the University, should promptly contact the International Mobility Office and International Promotion, Via Santa Sofia, 9 - 20122 Milan; Tel. +39 02 50312023 and +39 02 50313505, e-mail [international.programmes@unimi.it](mailto:international.programmes@unimi.it), for further instructions on the procedures to be followed to activate the fellowship.

The International Mobility Office will provide assistance to candidates needing to recognize their study degrees at the Italian Ministry of Health and needing consular visa to enter Italy.

- **Renounce of the fellowship**

The selected candidate who, after the acceptance of the fellowship, and not later than 30 days after the beginning of the program, due to personal impediments, is unable to carry out the foreseen training program, shall notify by e-mail, providing detailed reasons, the renunciation to the International Mobility Office ([international.programmes@unimi.it](mailto:international.programmes@unimi.it))

- **Informative note**

Pursuant to EU Regulation 2016/679 ("General Data Protection Regulation - GDPR") and Legislative Decree no. 196/2003, as amended and supplemented, the University undertakes to respect the confidentiality of the information provided by the applicant. All data will be processed only for the purposes of participation in the programme. Information on the enforcement of the GDPR is available on the University website at <http://www.unimi.it/ateneo/73613.htm> - pathway: [www.unimi.it](http://www.unimi.it) > University > Privacy.
