

SELECTION CALL FOR A DOUBLE DEGREE MOBILITY DURING THE ACADEMIC YEAR 2024-2025

The University of Milan (UNIMI) has established an agreement with <u>Université Catholique de Louvain</u> (UCL) and <u>Université de Namur</u> (UNamur) for the activation of a Double Degree program of "Laurea magistrale in Finance and Economics- MEF" and "Master en sciences économiques orientation générale à finalité approfondie". The Double Degree program is entirely taught in English.

On the basis of the agreement and the annual deliberation by the partner universities, n° 3 places are available to study abroad at partner universities.

Study program provisions

The study period abroad will last one academic year, and will take place during the second year of Master Degree. It will be recognized as part of the academic program.

The study abroad period will be agreed and formalized through a Learning Agreement signed between the academic coordinators of both Universities (Home and Host Institution) and the student, prior to departure. A draft of the L.A. will be provided.

UNIMI students taking part in the Double Degree program will simultaneously be recognized as UCL/UNamur students registered in the "Master en sciences économiques orientation générale à finalité approfondie", according to the study plan they choose to follow during their second year at UCL/UNamur (see below, Annex B).

The participants will also write their Master's dissertation under the co-direction of supervisors of partner universities and UNIMI. The final dissertation will be planned, written and discussed at the host institution.

Admission requirements

Applicants must be regularly enrolled, in the current academic year, as first-year students in the Quantitative Economics curriculum of the MEF Master's program.

The following eligibility requirements must be satisfied when applying:

- a. applicants must have gained <u>at least</u> half of the ECTS credits associated with the first term mandatory courses of the Quantitative Economics curriculum of the 1st year MEF programme;
- b. the applicants' weighted cumulative grade point average, relative to the same courses as in point a. above, must be no less than 24/30;
- c. applicants must prove their English proficiency (level C1 or higher). English language skills will at any rate be further tested during the interview.

Mobility requirements

Selected students must be regularly enrolled in their second year of the above-mentioned study program for the a.y. 2024-2025.

The status of student, guaranteed by the regular payment of UNIMI fees, must be maintained for the entire duration of the study period abroad.

A selected candidate will be authorized to spend her/his second year at the host University only if, she/he has gained at least 48 ECTS credits out of the 60 ECTS credits associated with the mandatory courses of the Quantitative Economics curriculum of the 1st year MEF program.

Attention: should it not be allowed to reach the destination country, upon the consent of the Partner University, the exchange program will be held on a virtual basis.

Application procedure

Applicants must submit their application through the platform elixForms.

Documents required are the following:

- 1. copy of a valid identity document, possibly a passport if already in the possession of the candidate (pdf/jpeg);
- 2. detailed curriculum vitae (pdf/jpeg);
- 3. transcript of undergraduate/graduate academic career, including the *matriculation* number, the grades obtained in all the exams taken up until the date of the application submission and the final grade for the graduation (screenshot of the relevant UNIMIA page- pdf/jpeg). Students that have graduated in a different University than UNIMI must fill up the form Dichiarazione sostitutiva di certificazione (box 1) or provide, if available, the academic career self-certification from the University website where they graduated, with the information related to their undergraduate degree and career records;
- 4. brief statement of purpose in English, a letter explaining the personal motivations for the mobility;
- 5. English proficiency certificate if any (pdf/jpeg);
- 6. any other document or qualification deemed relevant to the competition.

Application deadline

All the documents required must be sent by **February**, 28th, 2024 at 12 pm (Italian local time), under penalty of exclusion from the selection.

Selection procedures

The applications will be assessed by a selection committee, chaired by Prof. Alberto Bucci and constituted by Professors Alessandro Barbiero and Danilo Liuzzi.

The committee will interview the applicants on March 6^{th} , 2024 at 10.30 am (Italian local time), via videoconference on the platform Microsoft Teams.

Participation in the interview is mandatory, under penalty of exclusion from the selection procedure.

After completing the interviews, the committee will rank the applicants according to their merit. For each applicant the overall score will be obtained by summing up the following partial scores:

- 1. curriculum vitae (up to 20/100);
- 2. academic career (up to 35/100);
- 3. statement of purpose (up to 10/100);
- 4. proficiency in English (up to 20/100)
- 5. interview (up to 15/100)

Only applicants achieving an overall score of at least 80/100 will qualify for the international Double Degree program.

Selection results

The final ranking will be published online on the UNIMI website <u>here</u> by **March 8th**, **2024**. No personal communication will be sent to the applicants.

The positions of winners of the ranking will be automatically confirmed as selected candidates. Any withdrawal must be sent within 3 days from the online publication of the ranking, through this link.

Ufficio Mobilità internazionale e per la Promozione internazionale (The Office) will contact any eligible student who will replace the renouncer in the ranking.

The Office will send the data of the selected candidates to the Host Universities for final approval.

All the information necessary for this purpose will be communicated by e-mail. It will be the responsibility of the selected student to carefully check the e-mail address communicated at the time of application: it is strongly recommended to use the UniMi institutional address.

Insurance coverage

During their stay abroad, the selected students will be covered by UNIMI insurance for third party liability and accidents, exclusively during the performance of institutional activities at the Host university.

Mobility costs

For the attendance of the courses, the host University will waive tuition and fees. Travel and accommodation expenses, including any supplementary insurance, are borne by the student, except as indicated below.

Financial aspects

The University of Milan will award a grant according to the student's income, based on ISEE statement as already submitted to Divisione Segreterie Studenti.

Here below the awarding criteria:

ISEE	Monthly allowance
less or equal to 13.000 euros	500 euros
from 13.000 to 21.000 euros	450 euros
from 21.000 to 26.000 euros	400 euros
from 26.000 to 30.000 euros and further	350 euros

The amount of the grant corresponds to the actual period of mobility spent abroad. Should it last shorter than that established by the call will result in a partial refund of the grant itself.

Confidentiality

Pursuant to EU Regulation 2016/679 "RGPD" and Legislative Decree no.196/2003 and ss. mm. ii, with regard to the protection of personal data, the Institution undertakes to respect the confidential nature of the information provided by the Participant: all data provided will be processed only for the purposes connected and instrumental to participation in the Program. Information on the implementation of legislation on the processing of personal data is available on the <u>University</u> website at: Home> University> Regulations> Privacy.

Contacts

Further information on didactic issues will be provided by the academic coordinator: Prof. <u>Alberto</u> Bucci. Students can also contact mef@unimi.it.

For information on administrative issues related to the call and to all aspects relating to mobility, students are invited to contact the Office: international.education@unimi.it.

For information on administrative issues related to academic double-degree career, students are invited to contact International Students and Double Degree Programme Office, doubledegree@unimi.it.

THE RECTOR

Prof. Elio Franzini
