

## Short Bio

Cristina Vaquero Piñeiro – a Ph.D. in Economics (Roma Tre University, IT) and Visiting Ph.D. in Geography and Environment (London School of Economics, UK) – is Assistant Professor (RTD-a) in Political Economy at the Department of Economics, Roma Tre University. She is member of the Directive Board of the Italian Association of Applied Agricultural Economics. Her main expertise lies in public policy analysis and agrifood economics, with an emphasis on Geographical Indications, quality labels, wine economics and local development. Her research agenda is focused on the role of place-based interventions in supporting high-quality agrifood productions and boosting rural development at the sub-national level.

## Cristina Vaquero Piñeiro

Address: Via Adolfo Ravà 50 – 00142 Rome, Italy

Email: cristina.vaqueropineiro@uniroma3.it

Telephone: +39 3394159779

Nationality: Italian and Spanish

Date of birth: 27 March 1993

### CURRENT POSITION

---

January 2022 to date

**Assistant Professor (Rtd-A)**

**Economic Policy, SECS-P02**

Department of Economics, Roma Tre University | Rome, Italy

From December 2023 **ASN AGR-01, II Fascia**

### TEACHING EXPERIENCE

---

September 2023 to date

MSc (SECS-P02): Economics for Agri-food Sustainability and Innovation. Department of Economics, Roma Tre University | Rome, Italy

BSc (AGRI-01): Agri-food Economics and Policy. Department of Science, Roma Tre University | Rome, Italy

September 2021 to September 2023

MSc (SECS-P02): Agri-food Economics and Policy. Department of Economics, Roma Tre University | Rome, Italy

BSc (AGRI-01): Agri-food Economics and Policy. Department of Science, Roma Tre University | Rome, Italy

### EDUCATION

---

2017-2020

**PhD in Economics**

Department of Economics, Roma Tre University | Rome, Italy

Curriculum: Environment, Development and International Relations

Tutors: Prof. Fabrizio De Filippis (UniRomaTre), Prof. Riccardo Crescenzi (LSE), Prof.ssa Mara Giua (UniRomaTre)

Final Thesis: Place of origin bias: essays on the role of territorial factors for economic development and agri-food production systems

2018-2019

**Visiting Research PhD**

Department of Geography and Environment, Cluster of Economic Geography

London School of Economics and Political Science – LSE | London, UK

2015-2017 MSc Environmental and Development Economics, 110/110 cum laude

Department of Economics, Roma Tre University | Rome, Italy

Curriculum: Sustainable economics and management

Final Thesis in: Agricultural Systems and International Relations

Final Thesis: The role of territorial features in the success of agribusiness: case study the wine market of Umbria and Lazio

2015-2017 Interfaculty Degree ASTRE

Alta Scuola Roma Tre, Roma Tre University | Rome, Italy

Curriculum: Networks, fractures and boundaries in a time of globalization

Final Thesis: Natural and economic networks: the earthquakes in the Italian rural areas

**2012-2015** BSc Economics, 110/110 cum laude

Department of Economics, Roma Tre University | Rome, Italy

Curriculum: Environmental and Development Economics

Final Thesis in: Economic History

Final Thesis: Family Farms and Rural Development in Chile

## EMPLOYMENT HISTORY

---

**2024** External consultant research expert for ISMEA – *tasks: collection and management of ISMEA survey on Geographical Indications to producers and quality certification offices*

External consultant research expert for ASVIS – *research focused on SDGs*

**2023** External consultant research expert for Società Eutalia srl - *Progetto Sistemi di supporto alla Valutazione delle Politiche di Coesione (SI.VALUTA) – research focused on impact evaluation of SDGs*

**2022** Consultant research expert for SVIMEZ – *research focused on agrifood supply chains*

**2020 -2021** Post-Doc Research Fellow

Department of Economics, Roma Tre University | Rome, Italy

**2017- 2020** PhD Student in Economics

**2017** Sustainability Risk Management Consultant

PricewaterhouseCoopers | Rome, Italy

**2017** Graduate Research Fellow

Conegliano Valdobbiadene Prosecco DOCG Consortium | Conegliano (TV), Italy

**2015-2020** Academic Tutor

Roma Tre University | Rome, Italy

**2014 - 2017** Work-experience Grant

Roma Tre University | Rome, Italy

## THIRD MISSION AND INVITED SPEAKER

---

### 2024

- Joint Workshop of European Association of Wine Economists & University of Tokaj on PDO wines, Tokaj, 28-29 April 2024 (Invited speaker)
- Workshop on: The sustainability of food supply chains: theory, tools and empirical analysis (April 2024), UniParma, Parma Italy (Invited discussant)

### 2023

- 222nd Meeting of the European Committee of the Regions Bureau. "Improving rural areas resilience to climate change: challenges and solutions for the agri-food sector", Logroño, Spain (Invited speaker)
- International Workshop on The European Protected Wine Designations: A Comparative Analysis, University of Zaragoza, 20-21 March 2023 (Invited speaker)
- International Workshop on Geographical Indications, Gastronationalism, and Fair Food, Utrecht University, 12-13 January 2023 (Invited speaker)
- International Research Meetings, Roma Tre University, 22-23 May, 2023 (Invited discussant)

### 2022

- International Trade and Interdependence in global production, University of Firenze, 1-2 December 2022. (Invited discussant)

## January 2023 – March 2024

### Sustainability – Sustainable Development and Agenda 2030

High School programme (PCTO), Department of Economics, Roma Tre University | Rome, Italy

### 2022- to date

Member of the Carrer Board of the Department for incoming orientation activities

Member of the Teaching Committee for LM Economia dell'Ambiente, Lavoro e Sviluppo Sostenibile (EALSS)

### 2021- to date

Member of the Young Researchers Group of AIEAA

### 2023-to date

Member of the Editorial Board of Frontiers

## PRESENTATIONS (presenting author)

---

### 2024

- 13<sup>th</sup> Annual Conference Associazione Italiana di Economia Agraria e Applicata (AIEAA), 20-21 June 2024, University of Bari, IT  
*"Come together! Cooperation as a sustainable economic driver in Italian wine industry"*
- XXII Annual Workshop SIEPI, Società Italiana di Economia e Politica Industriale – 13-14 June 2024, University of Bergamo, IT  
*"Spirit of innovation or historical tradition? The complex dilemma of EU policy for renowned products"*

- 98<sup>th</sup> Annual Conference of The Agricultural Economics Society (AES) – 18-20 March, 2024, The University of Edinburgh, UK  
*"Balancing the Spirit of Innovation and Love for Traditional in Agrifood Territories of Origin"*

## 2023

- 64<sup>th</sup> Annual Conference of Società Italiana di Economia (SIE) – GSSI, L'Aquila, IT  
*"Taste of home: Birth town bias in Geographical Indications"*
- Associazione Italiana Scienze Regionali (AISRE) – Università di Napoli Partenope, 6-8 September 2023  
*"Taste of home: Birth town bias in Geographical Indications"*  
*"Eat, visit, love. World Heritage List and Geographical Indications: joint acknowledgement and consistency as drivers of tourism attractiveness in Italy"*

*"From local to global, and return: Geographical Indications, FDI and the internationalization of rural areas in Europe"*
- 96<sup>th</sup> Annual Conference of The Agricultural Economics Society (AES) – Leuven, Belgium  
*"Predicting agri-food quality across space: a Machine Learning model for the acknowledgement of Geographical Indications"*

## 2021

- 31st International Conference of Agricultural Economists (ICAE) – Virtual, 17-31 August 2021  
*"The international trade impacts of Geographical Indications: hype or hope?"*
- 10<sup>th</sup> Annual Conference Associazione Italiana di Economia Agraria e Applicata (AIEAA)- Virtual, 10-11 June 2021  
*"The international trade impacts of Geographical Indications: hype or hope?"*

## 2020

- 9<sup>th</sup> Annual Conference Associazione Italiana di Economia Agraria e Applicata (AIEAA)- Virtual,

## 2019

- GDS17 Seminar, Department of Economics, Roma Tre University
- European Association of Agricultural Economists (EAAE) Annual Scientific Conference – 10-12 October 2019, Matera
- Associazione Italiana Scienze Regionali (AISRe) XL Annual Scientific Conference - 16-18 September 2019 L'Aquila
- Associazione Italiana di Economia Agraria e Applicata (AIEAA) 8<sup>th</sup> Annual Conference - 13-14 June 2019 Pistoia

2018

- Eu-SPRI Early Career Researcher Conference (ECC), Research institute of the Spanish National Research Council (CSIC) and the Polytechnic University of Valencia, Valencia, Spain

2015 Congress Agriculture in an Urbanizing Society, Roma Tre University, Rome

## AWARDS AND SCHOLARSHIPS

---

2024

ANTONIO CIOFFI 2024 Award, for socio-economic scientific research on relevant topics for agriculture and food by a young researcher. 7<sup>th</sup> edizione, by Associazione Italiana di Economia Agraria ed Applicata

2023

- Best papers presented - Early career.

IFAD' 22 Conference on Jobs, Innovation, Value Chains in the Age of Climate Change that took place in IFAD on June 22-24, 2022. Paper: Cappelli, F., Caravaggio, N., Vaquero-Piñeiro, C. (2022). Buen Vivir and forest conservation in Bolivia: False promises or effective change?, *Forest Policy and Economics*, Vol. 137, 102695, ISSN 1389-9341.

2022

- Selected Research proposal for funding: "Just transition & revitalization for rural areas". Annual Research Conference 2022, co-organised by the Joint Research Centre (JRC) and the Directorate-General for Economic and Financial Affairs (DG ECFIN).
- SIMPLEG Course Scholarship for early-career researcher, Purdue University, USA

2021 International Conference of Agricultural Economists (ICAE) Grant for early-career women in Agricultural Economics

2021 PhD Award for the best PhD Thesis on Agri-food systems, by Agenzia Regionale per lo Sviluppo e l'Innovazione dell'Agricoltura del Lazio (ARSIAL) (Premio Stefano Sbaffi 2021)

2021 Selected Candidate for PhD Award for the best PhD Thesis in Economics, by Società Italiana degli Economisti (SIE)

2018 Degree Award for the best Master Thesis in Local Development Science, by Fondazione Aristide Merloni (Premio di Laurea Economia Marche – Per gli studi sullo sviluppo locale 2018)

2017 - 2020 Phd full Scholarship, Department of Economics, Roma Tre University

2016 Open Mind Contest Award: "How to start a start-up", awarded by Roma Tre University and LextrayTax&Legal

2015 – 2017 Merit Aid Grant ASTRE, by Roma Tre University

2015 – 2016 Merit Aid Grant for my Bachelor's Degree mark, by Roma Tre University

## RESEARCH PROJECTS, AFFILIATIONS and OTHERS

---

### Research projects

- ACT4CAP27, Horizon 2020 - Advancing Capacity and analytical Tools for supporting Common Agricultural Policies post 2027, Proposal number 101134874 (2024-2028)
- PRINPNRR-MULTI-scale modelization toward Socio-ecological Transition for Water management (MUST4Water) (2023-2025)
- PRIN2022-Assessing and modelling the trade and environmental Policy impact in Agriculture (ADAPTA) (2023-2025)
- LazioInnova. Improve the standard of cultivation and production of hazelnut groves. PR FESR LAZIO 2021-2027. (2024-2025)
- BATModel Project, Horizon 2020 – Rural Renaissance, Grant agreement No. 861932 (2020-2024) (2021-2024)
- Research Director of the project "Strategy for Rural Areas" of FEPS Foundation for European Progressive Studies and author of the related contribution "Just transition & revitalisation. A new EU strategy for rural areas. Policy brief June 2022. Foundation for European Progressive Studies, European Political Foundation, Brussels (Belgium).

- Senior member of the Expert Research Team of Associazione per lo Sviluppo dell'Industria del Mezzogiorno (SVIMEZ)
- Research Director of the 2022 project "Il Sistema delle filiere agroalimentari nelle dinamiche di sviluppo territoriale: struttura, attori, competitività e politiche di incentivazione", SVIMEZ

## Affiliations

Member of the Directive Board of the Italian Association of Applied Agricultural Economics (AIEAA)

SIE Associate Member - Italian Association of Economics

AISRE Associate Member - Italian Association of Regional Science

EAAE Associate Member - European Association of Agricultural Economists

## Conference Local Committee and Scientific Programme

- 13<sup>th</sup> Annual Conference Associazione Italiana di Economia Agraria e Applicata (AIEAA), June 2024, Università degli Studi di Bari, Italy - Conference Local Committee
- Giornata della Ricerca – Dipartimento di Economia – April 2023, Department of Economics, Roma Tre University (Scientific Programme) - Conference Local Committee
- 1st Young Researcher Day – AIEAA - June 2023, Università degli studi di Milano,
- BATModel WP5 Workshop July 2022 (Horizon2020 project), Department of Economics, Roma Tre University (LOC) - Conference Local Committee
- 10<sup>th</sup> Annual Conference Associazione Italiana di Economia Agraria e Applicata (AIEAA), June 2021, Roma Tre University, Conference Local Committee

## TRAINING HISTORY

---

### 2023

RISIS Data Science Winter School. CNR RCFES, *Research Institute on Sustainable Economic Growth*

### 2022

SIMPLE-G Short Course, *Department of Agricultural Economics Purdue University*

### 2021

Regional Studies Association (RSA) Europe Student and ECR Winter College. Regional Development and Public Policy, *Winter School - RSA Association*

GTAP Dynamic Short Course-Applied General Equilibrium Analysis using a Dynamic Multi-Region Model, *Center for Global Trade Analysis, Department of Agricultural Economics Purdue University*

Online GAMS training toolbox, *AGRODEP*

Practical CGE Modelling course, *CGEMOD website*

GE models for ex-ante trade policy impact evaluation, *MSc Course - Department of Economics, Roma Tre University - Professor Luca Salvatici*

### 2020

Machine Learning techniques in agricultural, food and environmental policy analysis with Python, *Online Summer School, Rossi-Doria Centre and the University of Calabria| Rende (CS), Italy*

### 2019

Data Analysis with Python, *IBM on Coursera*

Regional Development and Policy, *MSc Course – Department of Geography and Environment, London School of Economics and Political Science – LSE, London, Professor Andres Rodriguez-Pose*

Local and Regional Development, *MSc Course - Department of Geography and Environment London School of Economics and Political Science – LSE, London, Professor Riccardo Crescenzi*

Techniques of Spatial Economic Analysis, *MSc Course, Department of Geography and Environment, London School of Economics and Political Science – LSE, London, Professor Steve Gibbons*

Casual Inference for Observational and Experimental Studies, *MSc Course – Department of Methodology, London School of Economics and Political Science – LSE, London*

Qualitative Research Methods, *MSc Course – Department of Methodology, London School of Economics and Political Science – LSE, London*

## 2018

Evidence-Based Policy Making, *Summer School, Rossi-Doria Centre and the University of Calabria* | Rende (CS), Italy  
*Principal Subjects: Quasi-experimental methods in agricultural, food and environmental policy analysis*

Panel Data Econometrics, *Summer School SIDE – Società Italiana di Econometria* | Bertinoro (FC), Italy  
*Principal Subjects: Static panels, Dynamic panels, Heterogeneous panels, Non-stationary panels*

Public Policy Impact Assessment. Concepts, Methods, Applications, *International School for advanced training, Roma Tre University* | Rome  
*Principal Subjects: Industrial and Territorial Policies; Trade Policies from a Development Perspective*

## 2017

FAO online course - Linking population and housing census with agricultural censuses, *FAO (Food and Agriculture Organization of the United Nations)* | Rome, Italy

EAEPE 2017 (European Association for Evolutionary Political Economy), *Summer School, Roma Tre University* | Rome, Italy

## SKILLS and COMPETENCES

---

### Languages

Italian and Spanish mother tongues

English C1.2 (2018 IELTS Certificate, University of Cambridge. Overall Score 7.5, CEFR Level C1.2)

First Certificate B2 (2014 FCE Certificate, University of Cambridge CEFR Level B2)

### Data Collection and Analysis

Quasi-experimental methods for policy evaluation; Machine Learning, Spatial analysis; Panel data models; Meta-analysis

Qualitative techniques for interviews, focus groups and ethnography

### Software

STATA, R, PHYTON, MINITAB (Data Analysis)

ArcGIS, QGIS (Geographical Information System)
