

# Luca Carrieri

Post-Doctoral Researcher.

Luiss Guido Carli, Rome

Political Science Department,

Viale Romania 32, 00197 Rome, Italy

**Date of Birth:** 15-03-1986

## CURRENT POSITION

2018 –Post-Doctoral Researcher in the project: *Beyond the nudging? How to influence individual political choices?* Department of Political Science, LUISS Guido Carli University.

Activities:

- Monitoring party/leader social media activity (via Twitter) and its impact on voter issue priority, electoral preferences and party issue credibility in six European countries (Austria, France, Germany, Italy, the Netherlands and the United Kingdom).
- Designing a dataset on the Twitter saliency ascribed by the parties on positional and valence issues (30/40 issues for country), merging the dataset on the electorate issue priority, electoral preferences and party issue credibility in the above-mentioned six West European countries.

## EDUCATION

### PhD. Student at Luiss Guido Carli, Rome

- PhD program in Political Science, Political Theory, Political History. Thesis (defended on 20<sup>th</sup> June 2018): *Beyond the Left-Right Dimension? The Impact of European Integration on West European Party Politics*, supervisor: Professor Leonardo Morlino.
- August-November 2015, PhD Visiting at University of Houston (Department of Political Science), under the supervision of Professor Susan Scharrow.

### Master Degree in Political Science and Decision-Making Processes (110/110 cum laude), University of Florence

- Modules on: political theory, political parties and elections in Italy, applied public policy, methods of social research, public administration history and constitutional law (the Parliament and Regions).
- Skills acquired: written and oral communication skills through essays and presentations, meeting strict deadlines, prioritizing, organisational skills and the use of Statistical software (STATA).
- Dissertation: *The Italian Democratic Party: The Membership, the Primaries and the Voters*.

Bachelor in Political Science and International Relations, University “La Sapienza”, Rome, Italy.

- Modules on: economics, statistics, political science, sociology, international relations, history, constitutional and civil law.
- Skills acquired: working under pressure, balancing study and work, analytical thinking, flexibility, adaptability.

## WORKING AND RESEARCH EXPERIENCES

**Intern in the Italian Centre of Electoral Studies (CISE) - Luiss Guido Carli, Rome and University of Florence.**

Activities:

- Gathering electoral data on general elections on five European democracies (Austria, France, Germany, Ireland and United Kingdom), disaggregating these data by regions (Austria and Germany), by macro-regions (the United Kingdom) and by electoral constituencies (Ireland and France) in order to design a new dataset. .

**Member of the Italian Centre of Electoral Studies (CISE), Rome-Florence, Luiss Guido Carli- University of Florence.**

Activities:

- Gathering data to design an original dataset of party membership, party primaries and party voters of the Italian Democratic Party (PD) and, then, analyzing their dynamics and trends over time.
- Pre-electoral and post-electoral analysis of the regional and local elections in Italy.
- Analysis of the 2013 regional and general elections in Lazio.
- General overview on the European Parliament (EP) elections in Italy between 1994 and 2009 to shed light on its impact on the format and mechanics of the national party system.
- Quantitative analysis of the electoral trends regarding all the parties belonging to the Party of European Socialists (PES) between 2009 and 2014 at the EP elections.
- Analysis of the regional and EP elections in Abruzzo in 2014.
- Analysis and comparison on the electoral systems and rules in seven Italian regions (Campania, Liguria, Marche, Puglia, Toscana, Umbria and Veneto) in order to prepare the post-electoral analysis of the regional elections in 2015.
- Pre-Electoral and Post-Electoral analysis on the 2015 regional elections in Umbria.
- Joining a project on the municipal elections in Italy in the years 2016 and 2017, particularly focusing on Rome and Genoa municipal elections.
- Designing surveys for the Issue Competition Comparative Project (ICCP) to shed light on the patterns of issue competition in Western Europe.

**Coder for the Euromanifesto Project.**

Activity

- Monitoring the 2019 European Elections in Italy (candidate lists and electoral results)
- Coding the 2019 Italian parties' electoral manifestos.

**Regional Coordinator in "Parties and Leader Selection" (SISP, Standing Group) following project:  
The selection of the Democratic Party general secretary.**

*Luca Carneri*

## Activities:

- Coordinating qualitative interviews and exit polls in Latium to develop an original dataset of the party primary voters of the Italian Democratic Party (PD).
- Contributing to design the national dataset and, then, analyzing the dynamic of change between 2009 and 2019.

## Academic Teaching:

- Teaching assistant (MA course: Methods of Social Research)
- Teaching assistant (MA course: Public Opinion and Voting Behaviour)
- Teaching assistant (BA: Political Science)

## Administrative Positions

- PhD Tutor for the Program in "Politics: History, Theory, Science", Luiss, Guido Carli (36 PhD students)

## Summer Schools and Paper Presentations

- 2015 - Methods Summer School, University of Essex, United Kingdom, *Education in Maths and Applied Regression*.
- 2016 - ECPR Political Parties Summer School, University of Nottingham, United Kingdom, paper presentation.
- 2017 - Italian Society of Political Science (SISP), General Conference, University of Urbino, Italy, paper presentation.
- 2018, - Italian Society of Political Science (SISP), General Conference, University of Turin, Italy, paper presentation.
- 2019, - European Union Studies Association (EUSA), General Conference, Denver, Colorado, United States, paper presentation.
- 2019, - European Consortium of Political Science (ECPR), Joint Session, Mons, Belgium, paper presentation.
