Art. 2

Admission requirements

1. The following are entitled to participate in the selection: candidates, non-EU citizens included, holding a doctoral degree or equivalent qualifications earned in Italy or abroad, or a medical specialization school diploma - as far as the medical area is concerned.

In case of a doctoral degree earned abroad, it is necessary to attach a copy of the equipollence decree with the Italian university PhD qualification submitted under art.74 of Decree of the President of the Italian Republic No.382/1980 or of the deliberation attesting the equivalence between the foreign qualification and the Italian one submitted under art.38 of Leg.Dec. No.165/2001. When providing these documents, the relevant authorities can provide a copy of the submission form for a request of equivalence only.

In any case the documentation attesting the foreign qualification equivalence must be provided, under penalty of exclusion, to the Administration upon the potential hiring.

Candidates must also meet one the following specific requirements:

- Having entered into a contract under art.24, paragraph 3.a, of Law No.240/2010;
- Having carried out a at least 3-year research fellowship or equivalent grants at foreign universities, even if not in a row, under art.51, paragraph 6, of Law No.449/1997 of 27 December 1997, and subsequent amendments thereto;
- Having carried out a at least 3-year research fellowship or equivalent grants at foreign universities, even if not in a row, under art.22 of Law No.449/1997 of 27 December 1997;
- Having carried out a at least 3-year post-doctoral scholarship or equivalent grants at foreign

universities, even if not in a row, under art.4 of Law No.398/1998 of 30 November 1998;

- Having carried out at least 3 years of contracts entered into under art.1, paragraph 14, of Law No.230/2005 of 4 November 2005.

For the purposes of calculating the aforementioned minimum period of 3 years, the five different kinds of activities above can be combined.

- Holding the national scientific qualification (ASN) for full tenured or associate professors under art.16 of Law No.240/2010, provided that it is still valid, for the competition sector in question or for one of the competition sectors included in the related macro sector;
 - Holding a medical specialization diploma.
2. Open-ended full tenured or associate professors and researchers, even if no more in service, are not admitted to participate.
 3. The following also are not admitted: applicants who were given a research fellowship and/or carried out activities as fixed-term researchers under art.22 and 24 of Law No.240/2010 at the University of Milan and/or at other Italian Universities for a period which, added together with the duration of the contract in question, is over 12 years overall.
 4. Maternity or health related issues leaves of absence under the legislation in force are not included in the aforementioned period.
 5. The following are not entitled to participate: candidates who, at the moment of their application, are within the forth degree of kinship with a professor afferent to the Department announcing the post, or with the Rector, the General Director or with a member of the University Board of Directors.

Art. 3 Transparency

1. Pursuant to the transparency obligations laid down in Leg. Dec. No. 33/2013 of 14 March 2013, the present competition notice, the list of candidates and their curriculum vitae, the composition of the judging committee, the minutes and the results of each selection procedure are published on the University of Milan website.

Art. 4 Online application

1. The application for the selection procedure must be submitted, under penalty of expulsion, **by 12 noon (Italian time) of the fifteenth day** starting from the day following the publication of the announcement of the present competition notice on the Official Gazette.
2. The application for the present selection procedure must be **completely and exclusively filled in and submitted online** by using an IT platform available on the University of Milan website.
3. Two steps are to be followed when applying:

a) Registration

In order to register, go to the Unimi website on page

https://www.unimi.it/reg_utenti_esterni/registrazione/form.html

and follow the instructions below:

- enter the chosen username and password in the required field;
- enter the required data.

After registering, the candidate will receive a confirmation email with a link to activate their credentials.

By entering their credentials, candidates have access to the SICON platform.

Employees at the University of Milan, who already have their official credentials - username: name.surname@unimi.it + password: email address password -, can enter the SICON platform by using their credentials with no need to register anew.

UNIVERSITÀ DEGLI STUDI DI MILANO

DIEZIONE LEGALE E PROCEDURE CONCORSUALI PERSONALE DIPENDENTE
Settore Procedure Concorsuali Personale Docente e TAB

b) Filling in and submitting the application

Go to the Unimi webpage <https://www.unimi.it/it/node/581/> and select the procedure code through the research browser at the top of the page.

When entering the box related to the procedure for which you intend to apply, click on "*Presenta la domanda*".

You are now inside the SICON platform.

Fill in the application according to the relevant instructions provided by the IT system. The application form is available starting from the day on which the present competition notice is published on the Official Gazette.

After filling in the application online, candidates must print the documentation provided by the system, sign it and scan it in pdf format - or, as an alternative, e-sign it and upload the file in p7m format.

Unsigned applications entail being expelled from the procedure.

The application can be submitted 24 hours a day, within the deadline, from any computer. The online application procedure is disabled, without exception, on the deadline. On this day the IT system will not allow candidates to access the form nor send the application.

In order to complete the procedure, the candidate must upload the pdf or p7m format application accompanied by the following documents:

- 1) a pdf copy of a valid identification document;
- 2) a pdf copy of the tax code;
- 3) a pdf self-certification, according to the Annex A table, under the provisions laid down in art. 46 and 47 of the Decree of the President of the Italian Republic No.445/2000 governing the possession of the specific requisites laid down in art.2, paragraph 3;
- 4) a pdf curriculum vitae, up to 30 pages, according to the Annex B table, reporting the date, but **no signature or initials**. As declared in the application, the curriculum vitae is equivalent to a self-certification under the provisions laid down in art. 46 and 47 of the Decree of the President of the Italian Republic No.445/2000 governing the possession of the qualifications reported there;
- 5) a pdf copy of the list of the publications submitted according to the modalities laid down in the following art.6, reporting number, date and signature;
- 6) a .zip or .rar compressed folder containing the digitalised publications according to the modalities laid down below (it is possible to upload up to 5 compressed folders);
- 7) a pdf copy of the Annex C self-certification certifying that the publications comply with their original version;
- 8) in case of a doctoral degree earned abroad: a copy of the equipollence decree under Decree of the President of the Italian Republic No.382/1980, or of the equivalence deliberation under Leg.Dec. No. 165/2001, or a copy of the submission form for a request of equivalence (up to 1MB);
- 9) a pdf copy of the 25.82 euro payment slip, referred to in the following paragraph 11.

4. The application procedure terminates by selecting "*Conferma*" at the bottom of the "*Allegato domanda*" page. An email is sent by the system to the email address provided by the candidate confirming that the application has been received.

5. After the confirmation email, it is still possible to upload a new application within the deadline indicated in the competition notice. To modify the application or one of the annexes submitted, it is necessary to enter "*Annulla domanda*" and then upload the new application and any new annexes. Should the candidate want to replace just one or more of their annexes, still it is necessary to download again the application documentation generated by the system, sign it and scan it in pdf format - or, as an alternative, e-sign it again and upload the file in p7m format. To terminate the modification process, it is necessary to select the "*Conferma*" option at the bottom of the "*Allegato domanda*" page. Should the confirmation be missing, the application shall be deemed invalid.

6. The online application procedure, of both application form and annexes, must be completed by 12 noon (Italian time) of the fifteenth day starting from the publication of the competition notice on the Official Gazette.
7. The procedure is deemed as complete once the application form and the related annexes are uploaded and sent; should the application not be sent, it will not be taken into consideration.
8. Should the deadline be on a public holiday, it will be possible to fill in and submit the application by 12 noon (Italian time) of the first available working day.
9. Those candidates whose applications were not sent within the deadline or in way different from that explained above are not admitted to participate in the selection procedure.
10. Should the aforementioned online procedure be unavailable, the University of Milan reserves the right to communicate on its website the alternative modalities to submit the application.
11. **Candidates are requested to pay, under penalty of expulsion, for each selection they intend to participate in, a fee of 25.82 euros to post office account No. 17755208 property of the University of Milan or to bank account BANCA INTESA S.p.A. – Servizio Tesoreria Enti – via Verdi n. 8 – 20121 Milano – C/C 000000463971 - IBAN: IT97 G 03069 09400 000000463971 – SWIFT CODE: BCITITMMXXX for payments issued from abroad - property of the University of Milan, 7, Festa del Perdono street specifying the compulsory reason for payment: “contributo selezione RTD - codice concorso.....”.**
12. Any potential modifications to the address, telephone number or email address indicated by the candidate for the purposes of the present procedure must be communicated to the University of Milan without delay.
13. Disabled candidates must specify the support they need in relation to their disability in their application, as well as the potential need for extra time to sit the examination, under Law No.104/1992 of 5 February 1992.
14. All the qualifications that the candidate intends to submit must be held upon the deadline of the present notice and must be reported on the curriculum vitae exclusively by using the Annex B table.
15. The Administration reserves the right to run some sample checks to verify whether what was reported in the self-certification is true.

Art. 5

Application by foreign citizens

1. In addition to what is laid down in the previous article, foreign citizens must declare:
 - To hold civil and political rights in their Country of origin, or the reason why they do not meet this requisite;
 - To have an adequate knowledge on the Italian language.
2. The qualifications which the European Union citizens intend to submit can be reported in their curriculum vitae by using the Annex B table.
3. Non-EU citizens residing in Italy under the provisions laid down in the registry office regulation of residing citizens passed by Decree of the President of the Italian Republic No.223/1989 of 30 May 1989 can provide the self-certifications referred to in art.46 and 47 of Decree of the President of the Italian Republic No.445/2000 of 28 December 2000 to report status, facts and personal qualities that can be certified by public or private Italian subjects, except for the specific provisions laid down in laws and regulations governing immigration and the status of foreigners. These declarations must be sent by email to email address valcomp@unimi.it, including in the email object the competition code the candidate intends to participate in.

4. The Administration reserves the right to run the necessary verifications on whether what was reported in the self-certifications is true.
5. Non-Eu citizens who do not reside in Italy must provide a pdf format digital copy of their qualifications certified by the relevant authorities from their State of citizenship. These qualifications must be legalised by the relevant Italian consular authorities. Documentation provided in a foreign language must come together with its Italian translation in attachment, certified as equivalent to the foreign text, produced by the relevant Italian diplomatic or consular authorities or by an official translator. Both certified qualifications and translations must be sent by email to the email address valcomp@unimi.it, including in the email object the competition code the candidate intends to participate in.

Art. 6 Publications

1. Publications and texts accepted for publication in compliance with the legislation in force, as well as monographs, essays included in collections and articles published on paper or digital magazines exclusively are deemed as assessable for the present selection procedure. Doctoral degrees or equivalent qualifications are also taken into consideration. Internal notes and departmental reports are not assessable.
2. Scientific publications which the candidates intend to submit must be numbered in running order, in accordance with the relevant dated and signed list, and must be submitted in a digital version exclusively on pdf files collected in compressed folders - .zip or .rar - up to 5 folders.
3. The candidate must respect the maximum number of publications to be submitted (doctoral thesis or equivalent qualifications included), if laid down in art.1. Sending more publications than those laid down in art.1 of the present notice shall entail being expelled from the procedure.
4. Tests and articles accepted for publication, within the deadline of the present notice, must be submitted together with the acceptance document from the publisher.
5. Publications included in the list but not submitted or publications submitted but not included in the list attached to the application will not be taken into consideration by the judging committee.
6. Publications published in Italy must comply with Law No.106/2004 of 15 April 2004 and with the relevant regulation issued by Decree of the President of the Italian Republic No.252/2006 of 3 May 2006.
7. Publications published abroad must report the date and, if possible, the place of publication or, as an alternative, the ISBN, ISSN code or the like.
8. Publications must be submitted in their original language. Should this language be different from Italian, French, English, German or Spanish, publications must be translated into Italian or English. The translation can be submitted as a typewritten document together with the test printed in its original language.
9. For procedures regarding linguistic sectors it is allowed to submit publications produced in a

language or in one of the languages for which the competition was announced, even if they are different from the ones laid down in the previous paragraph.

Art. 7

Forgoing to participate in the selection procedure

1. Candidates who wish to forgo to participate in the selection/assessment procedure will have to send the pdf format scan of the relevant declaration by using the Annex D sample together with a copy of their identification document to the email address valcomp@unimi.it at the Academic and Research Staff Recruitment Office.
2. Being absent on the date of the discussion and of the oral examination, if any, shall be deemed as the wish to forgo to participate in the selection procedure.

Art. 8

Expulsion from the selection procedure

1. Candidates are admitted to the selection procedure under reserve.
2. A Rector's Decree shall motivate the expulsion of one of the candidates in default of the requirements specified in the present notice.
3. Should the reasons which motivate an expulsion be verified after implementing the selection/assessment procedure, the Rector shall decree the expiration of any rights following the participation in the procedure itself; candidates whose self-certifications provided during the application or under Decree of the President of the Italian Republic No.445/2000 are found to be untrue shall likewise forfeit their rights.

Art. 9

Formation of the Judging Committee

1. The judging Committee is composed of three professors in accordance with the modalities laid down in art.7 of the University of Milan Regulation governing the recruitment of fixed-term researchers.
2. If expressly required by the proposing Department, the Committee may be entirely composed of scholars or experts in service with foreign universities who have specific competences in the competition and scientific-disciplinary sectors referred to in the present notice and holding qualifications equivalent to the full tenured or associate professor qualification.
3. The judging Committee is composed in respect of the provisions governing incompatibility and conflict of interest.
4. The Committee is appointed by Rector's Decree and its composition is published online on the University website.

Art. 10

Recusal

1. Candidates can ask for one or more of the committee members to recuse, under art.51 and 52 of the Code of Civil Procedure, by sending their request to the Rector within fifteen days from the publication on the University website of the Rector's Decree by which the Committee is appointed.
2. Should a reason to recuse arise after the aforementioned time limit, but still before that the Committee has taken office, the deadline starts from the moment that the reason to recuse arose.

Art. 11

Duties of the Judging Committee

1. The judging Committee can hold online sessions as well.
2. During the first session, chaired by the most senior academic member, appoints the President and the secretary.
3. In order to implement a comparative assessment among candidates, the judging Committee draws up some general criteria and submits them to the procedure supervisor, who shall publish them on the University website.
4. The criteria defined by the Committee are published for at least five days after which the Committee may proceed.
5. The assessment of the candidates by the Committee includes a preliminary phase, at the end of which the Committee delivers, for each candidate, a motivated judgement on their qualifications, curriculum vitae and scientific production, doctoral thesis included, on the basis of the parameters and criteria referred to in the Ministerial Decree No.243/2011 of 25 May 2011.
6. Following the preliminary assessment, the most creditable candidates, in a number of 10% to 20% of the overall number of candidates and of no less than six, are admitted to the public discussion of their qualifications and scientific production; should the number of candidates be equal or inferior to six, all candidates are admitted to the discussion: in this event the Committee shall assess their qualifications and publications without delivering their judgement.

Art. 12

Qualifications and curriculum assessment

1. Pursuant to art.2 of Ministerial Decree No.243/2011 of 25 May 2011, for the purposes of assessing qualifications and curricula, the following elements are taken into consideration by the Committee:
 - a) doctoral degree or equivalent qualification or medical specialization school diploma or equivalent, for the relevant sectors, earned in Italy or abroad;
 - b) teaching activity at Italian or foreign universities, if any;
 - c) attested training or research activity at qualified Italian or foreign institutions;
 - d) attested activity in the clinical field as regards competition sectors for which these specific competences are requested;
 - e) implemented projects as regards competition sectors for which these are requested;
 - f) organising, directing and coordinating national and international research groups or participating in them;
 - g) holding patents for the competition sectors for which they are requested;
 - h) speaking at committees and national or international conferences;
 - i) being awarded or having received national and international recognition for research activities;
 - j) holding a European specialisation school diploma recognised by international boards, for the competition sectors for which it is requested.
2. Each element is assessed with specific regard to its significance in relation to the quality and quantity of research activity carried out by each candidate.
3. The Committee assesses any other qualifications or statement even if not expressly required to be admitted to the present selection.

Art. 13

Assessment of scientific production

1. During the candidate preliminary comparative assessment, the Committee takes the following into consideration exclusively: publications and texts accepted for publication in compliance with the legislation in force, as well monographs, essays included in collections and articles published on paper or digital magazines exclusively are deemed as assessable for the present selection procedure. Internal

notes and departmental reports are not assessable. Doctoral theses and equivalent qualifications are taken into consideration even if the aforementioned conditions do not subsist.

2. Under art.3 of Leg.Dec. No.243/2011 of 25 May 2011, the criteria applied by judging committees when assessing scientific publications are the following:
 - a) originality, innovation, methodological accuracy and resonance of each scientific publication;
 - b) coherence between each publication and the competition sector for which the selection is announced and the potential profile, defined exclusively by indicating one or more scientific-disciplinary sectors, or the interdisciplinary topics strictly linked with these sectors;
 - c) scientific resonance of each publication and its dissemination within the scientific community;
 - d) analytical definition of the individual contribution provided by the candidate when working in collaboration, also based on criteria recognised by the international scientific community of reference.
3. In assessing the candidates, the overall amount, intensity and temporal continuity of the scientific production submitted by each candidate are taken into consideration by the judging committee, excluding those periods of time they had to stop doing research, upon due justification, with particular reference to parenting.
4. For those competition sectors whose use is internationally accepted, when assessing publications, the Committee shall take into consideration the following indicators, under art.4 of Ministerial Decree No.243/2011 of 25 May 2011:
 - a) overall number of quotations;
 - b) the mean of quotations per publication;
 - c) overall impact factor;
 - d) the mean of impact factors per publication;
 - e) combinations of the aforementioned parameters to enhance the impact of the candidates' scientific production (Hirsch indicator and the like).

Art. 14

Public discussion of qualifications and scientific production

1. The date of the discussion shall be communicated to candidates at least 20 days in advance. Should a preliminary selection be necessary, the potential admission shall be published on the University website on page <https://www.unimi.it/it/node/581/> in the days following the preliminary assessment. Candidates must bring with them a valid identification document.
2. Together with the discussion of qualifications and publications, the adequate knowledge of the foreign language laid down in art.1 shall be tested.
3. Following the public discussion, the Committees attributes a score to the qualifications and publications submitted by the candidate.
4. Qualifications are given a maximum of **30 points**; scientific publications are given a maximum of **50 points**. The overall amount, intensity and temporal continuity of the scientific production submitted by each candidate are also assessed by the judging committee for a maximum of **20 points**, excluding those periods of time they had to stop doing research, upon due justification, with particular reference to parenting.
5. Following the results of each assessment, the Committee draws up a ranking and selects the winner, by a deliberation passed by absolute majority.
6. Selections do not entail an eligibility declaration.
7. The documentation produced by the Committee includes the minutes for each session, including judgements for each candidate and the reason why the winner was chosen as such, together with final report on the activities carried out by the Committee.
8. Following the end of its activities, the Committee submits all the competition documentation in a close

UNIVERSITÀ DEGLI STUDI DI MILANO

DIEZIONE LEGALE E PROCEDURE CONCORSUALI PERSONALE DIPENDENTE
Settore Procedure Concorsuali Personale Docente e TAB

envelope sealed by the initials of each committee member.

9. The judging committee must terminate the selection procedure within 3 months starting from the announcement of the relevant decree by which the Committee is appointed.

Art. 15

Documentation regularity verification

1. The Committee President shall deliver the documentation to the selection supervisor within 5 days from the last committee session.
2. By decree the Rector verifies the documentation regularity, approves the ranking and appoints the winner within 30 days from their submission.
3. Candidates are informed about the results of the selection exclusively through the publication of a Rector's documentation approval Decree on the University website, on page <https://www.unimi.it/it/node/581/>. The time period to challenge the results starts from the date of publication of the aforementioned Rector's Decree on the University website.
4. The minutes and the final report drawn up by the judging committee are published on the University website.
5. Should the Rector notice an irregularity, upon due justification, the documentation might be resent to the Committee for it to be regularised within the deadline established by the Rector themselves.

Art. 16

Call

1. The relevant Department Board shall submit the call for entrusting the post to the candidate appointed as the winner by absolute majority of full tenured and associate professors.
2. The Department Board can take advantage of the ranking listed by the judging Committee for calls which become effective within six months from the documentation approval exclusively and for the following cases only:
 - if it is impossible to implement the call in default of the prerequisites declared in the application or should the equivalence/equipollence of the foreign qualification lack;
 - if the candidate called for the post forgoes;
 - if the aforementioned candidate does not take up working duties duty;
 - if the candidate resigns after taking up duties.
3. The Board of Directors approves the call proposal and authorises to enter into a contract.

Art. 17

Contract

1. At the moment of entering into an individual fixed-term subordinate employment contract, the Administrations requires that the relevant person submit the necessary documents to be employed in a public institution.
2. The private law contract entered into with and by the researcher must also report the following indications:
 - the date of beginning and conclusion of the relevant employment;
 - the working regime chosen by the researcher;
