ORCID: 0000-0002-7110-6107

I am an assistant professor in philosophy of technology at the University of Twente, The Netherlands. My research focuses on philosophy of technology and AI, technology assessment, ethics of technology, philosophy of mind, and epistemology. My main professional skills are analysis and research, speech and writing, communication, teaching, and project management. I bring international mindset, creativity, curiosity, and resiliency. I use mixed qualitative methods grounded in philosophy, history, media studies, and science and technology studies. I have secondary expertise in data visualization, digital game studies, and journalism.

Research fields: philosophy of technology, postphenomenology, ethics of technology, philosophy of mind, epistemology.

Teaching fields: continental philosophy, ethics, political philosophy, history of science and technology, metaphysics, German and French contemporary philosophy.

Fundraising skills: applications and projects for FCT (Portugal), ANR (France), CNRS (France), FNRS (Belgium)

Monographs (peer-reviewed): 10

Research papers (peer-reviewed): 40

Books chapter (peer-reviewed): 9

Reviews: 31

Conferences: 71 (25 as main organizer)

Courses (MA and BA): 12; seminars: 11

Language teaching: English, French, Italian, Portuguese

Programming languages: Python, JavaScript, R

Additional expertise: Master's in project management (LUISS University of Rome)

- **Recent appointments**

Assistant Professor 1(UD1)

2023-present

University of Twente
Human-machine interactions

Post-doc Researcher

2022-2023

Delft University of Technology
Ethics and Philosophy of Technology Department
Quantum Delta NL Project

Adjunct Professor

University of Rome LUMSA

Associate Researcher (part-time)

University of Rome LUMSA
Member of the project “New Humanism at the Time of
Neurosciences and Artificial Intelligence Project”

Affiliate Researcher

School of Freudian Psychoanalysis in Milan

- **Previous Positions**

Researcher and Lecturer

2019-2022

University of Porto, Portugal
Institute of Philosophy
Artificial Intelligence, AI Ethics, Philosophy of Technology

Lecturer in Philosophy

2014-2015

Institut Catholique de Paris, France
Contemporary Philosophy, Ethics, Metaphysics

Associate Researcher

2013-2014

Institut Catholique de Paris, France
Contemporary Philosophy, Ethics, Metaphysics

Associate Researcher

2010-2012

Fonds Ricoeur – EHESS
Phenomenology, Hermeneutics

- **Periods as Visiting Researcher**

Catholic University of Lille, France

2020

Chaire Éthique, Technologie et Transhumanismes

5 months

University of Porto, Portugal Institute of Philosophy Co-coordinator of the seminar about “Imaginations, Images, Imaginaries” (with A. Romele and P. Tuhnas)	2016-2017 6 months
---	-----------------------

Institut Catholique de Toulouse, France Faculté de Philosophie Supervisor: Ph. Soual	2016-2017
---	-----------

EHESS – École des hautes études en sciences sociales, France Cems – Centre d’étude des mouvements sociaux Affiliate Researcher Supervisor: J. Michel	2012-2016
--	-----------

Catholic University of Louvain-la-Neuve, Belgium Institute of Philosophy Supervisor: J. Leclercq	2012-2013
---	-----------

- **Education**

LUISS University in Rome, Italy Diploma in Project Management	2015
---	------

Institut Catholique de Paris, France Post-Doctoral Degree in Philosophy Field: History of philosophy, Hermeneutics, Metaphysics Dissertation: The Problem of Analogy in Paul Ricoeur’s Philosophy	2009-2010
---	-----------

University of Rome, “La Sapienza,” Italy PhD in History of Philosophy and History of Ideas Field: Phenomenology, Hermeneutics, Ethics Dissertation: <i>Historical Knowledge and Historical Understanding in Paul Ricoeur’s Philosophy, and Its Relation to the Development of French Historiography</i> Committee: Francesca Brezzi, Giuliana Gemelli, Daniella Iannotta Tutor: Pierluigi Valenza	2004-2008
---	-----------

- **Research Projects**

Project	Year and Funding Programme	Role and outcomes
Quantum Delta NL	2022-2024 TU Delft	Post-doctoral Researcher; outcomes: papers,

ELSA – societal and ethical impact	https://quantumdelta.nl/	seminars, lectures, participation to the project's meeting (see the list of papers and conferences)
SOTERIA PROJECT Digital security and privacy European Commission	2022 H2020 https://www.soteria-h2020.eu/	Independent Ethics Advisor
New Humanism at the Time of Neurosciences and Artificial Intelligence Project	2022 https://nhnai.org/	Member of the project Assegno di ricerca – University of Rome Lumsa
<i>From Data to Wisdom. Philosophizing Data Visualizations in the Middle Ages and Early Modernity</i>	2019-2021 FCT (Portuguese Research National Agency) https://ifilosofia.up.pt/proj/fdtw/fdtw_project	Invited Scientist Fellow and advisor; outcomes: seminars, lectures, participation to the project's meeting (see the list of conferences)
<i>Beyond Turing. A philosophical investigation into the relations among recursion, writing, and the foundation of computational reason</i>	2018-2023 FCT (Portuguese Research National Agency) https://bit.ly/3Ktal3w	Researcher – contracted by university of Porto; outcomes: papers in peer-reviewed journals, monographs, conferences (see the list of conferences).
Ricoeur's philosophy and protestant theology	2010-2011 Fonds Ricoeur (Paris)	Researcher – fellowship; outcomes: monograph
Ricoeur's theory of history and its relations to historiography	2004-2008	PhD project

- **Funding and grants**

Rectorate award to organise the conference on “Transhumanism and the Future of Humanity” – Institute of Philosophy, university of Porto (650 euros) – 2021

Rectorate award to organise the research workshop on “Psychoanalysis, AI, and the Critique of Identity” – Institute of Philosophy, university of Porto (650 euros) – 2021

Fund for translation project from CNL (Centre National du Livre) 2015 – Translation and notes: C. Romano, *Au cœur de la raison, la phénoménologie*, Paris, Gallimard, 2009.

Fellowship – Centro studi “Luigi Pareyson” (University of Turin) 2014
Scuola di alta formazione filosofica (Sdaff) XXIII seminar sessions – Berlin, Germany

Fund for translation project from CNL (Centre National du Livre) 2013 – Introduction, translation and notes: P. Ricœur, *Etre, essence et substance chez Platon et Aristote*, Paris, Seuil, 2010.

Post-doctoral fellowship; Bourse Oratoire/Ricœur
Institut protestant de théologie – Fonds Ricœur (EHESS) – one year
Project: Paul Ricœur and the Question of Analogy
Activities: writing a monograph, organization of seminars and conferences

- **Teaching – Courses**

Course on Ethics, policy and governance of wicked problems – University of Twente (first semester 2024/5; language: English; level BA). Course on the management and ethical analysis of "wicked problems.

Tutorials on the Ethics of psychology – University of Twente (second semester 2023/4; language: English; level: Master) (in collaboration with B. de Boer). Main assignment: conduct tutorials and assist students in writing the common exercise paper.

Course on the History of psychology – University of Twente (second semester 2023/4; language: English; level: Master) (in collaboration with S. Yukola). Introductory course within the ethics and philosophy of psychology module.

Essay advisor – course on the Ethics of aerospace engineering – Delft University of Technology (second semester 2022/3; language: English; level: Master). Main assignment: assisting students in writing their joint tutorial paper.

Course on Human-machine interactions, and identity in virtual reality – University of Rome LUMSA (first semester 2023/4; language: Italian; level: BA). The course intends to offer a general introduction to human-machine interaction and the philosophy of technology.

Guest lecturer at University of Rome Lumsa, Italy (second semester 2022/3, 14 hours; level: PhD candidates; language: Italian). The lectures concern the methodology of research in philosophy and ethics.

Course on Contemporary Philosophy – Melbourne School of Continental Philosophy (Winter School 2022; 22 hours; language: English). The course intends to offer a general introduction to the main concepts of Sloterdijk's philosophy starting from his main work, namely the trilogy *Spheres*.

Course on AI, psychoanalysis, and the critique of identity – PICT (Paris Institute for Critical Thinking); April 2023; 22h; language: English). The course explores the connections between digital technology, human unconscious, and identification.

Course on Ethics of Digital Humanities – University of Porto, Portugal (first semester 2022/3, 65 hours; language: English; level: BA). The course aims to provide a general introduction to the main topics of ethics of technologies in digital humanities. In collaboration with J. Meirinhos (university of Porto).

Guest lecturer, Course in Aesthetics – University of Udine, Italy (second semester 2021/2, 3 hours; language: Italian; level: Master; 4/04/2022). The lecture provided a general introduction to the main topics of the philosophy of AI and postphenomenology.

Course on Introduction to the History of Science (Philosophy of Technology) – University of Porto, Portugal (second semester 2021/2, 65 hours; language: English; level: BA). The course aims to provide a general introduction to the main topics of postphenomenology and AI ethics. In collaboration with José Higuera (university of Porto).

Guest lecturer, Master in Digital Philosophy – University of Udine, Italy (first semester 2021/2, 4 hours; language: Italian; level: Master; 4/12/2021). The lecture provided a general introduction to the main topics of the philosophy of AI, with reference to Data visualization and Big Data.

Course on Introduction to the History of Science (Philosophy of Technology) – University of Porto, Portugal (second semester 2020/1, 65 hours; language: English; level: BA). The course aims to provide a general introduction to the main topics of the history of science and philosophy of technology, with particular attention to the world of digital technologies and AI. Activity of mentoring and exams.

Course on AI Ethics – University of Porto, Portugal (second semester 2020/1, 4 hours; language: English; level: Master). This short course intends to analyze some key ethical issues raised by AI, such as privacy and data protection, manipulation and exploitation, fake news, safety and security, transparency and explainability of the decisions, etc.

Course on Ethics and Politics 1 – University of Porto, Portugal (first semester 2020/1, 40 hours; language: English; level: Master). The aim of this course is to introduce to the basic concepts of Paul Ricoeur's ethical philosophy. Activity of mentoring and exams.

Course of Metaphysics. Subject: The Theory of Analogy in the Western History of Philosophy – Institut catholique de Paris (second semester 2014/5, 70 hours; language: French; level: Master). The aim of the course is to provide the fundamental features of the concept of analogy in the history of philosophy. Importance is given to Aristotle, medieval philosophy and Kant. Activity of mentoring and exams.

Teacher at Fonds Ricoeur, 2010 (10 hours – lectures about political philosophy and hermeneutics).

- Teaching – seminars for researchers, MA and PhD students

Seminar: "Platformations: A Fordian Genealogy of Platform Automation." University of Porto, FLUP (2021-22, II semester; 20/05/2022). In collaboration with Stephanie Sherman (University of San Diego).

Seminar: "The Polyopticon: Speculative Diagrams of Urban AI." University of Porto, FLUP (2021-22, II semester; 21/05/2022). In collaboration with Stephanie Sherman (University of San Diego).

Seminar: "Political art with computers." University of Porto, FLUP (2021-22, II semester; 11/05/2022). In collaboration with Mario Verdicchio (University of Milan).

Seminar: "Creativity and AI." University of Porto, FLUP (2021-22, II semester; 15/04/2022). In collaboration with Caterina Moruzzi (University of Konstanz).

Seminar: "Bruno Latour and Semiotics." University of Porto, FLUP (2021-22, II semester; 16/04/2022). In collaboration with Paolo Peverini (LUISS University in Rome).

Seminar: "An ethical perspective on bias and social robotics." University of Porto, FLUP (2021-22, II semester; 12/03/2022). In collaboration with Fabio Fossa (Politecnico di Milano).

Seminar: "Philosophy of artificial intelligence in medicine." University of Porto, FLUP (2021-22, II semester; 15/03/2022). In collaboration with Steven Gouveia (University of Ottawa).

Seminar: "Perspectives on Data Visualization." University of Porto, FLUP (2021-22, II semester; 16/02/2022). In collaboration with Dario Rodighiero (MIT).

Seminar: "The Implications of Human-Robot Interaction for Human-Human Relations." University of Porto, FLUP (2021-22, I semester; 17/01/2022). In collaboration with Piercosma Bisconti (Sant'Anna School of Advanced Studies – Pisa).

Seminar: "Introduction to AI Ethics and Communication." University of Porto, FLUP (2021-22, I semester; 16/12/2021). In collaboration with Alberto Romele (University of Tübingen).

Seminar: "Bruno Latour and the Actor-Network Theory" (connected to the course "Introduction to the History of Science"). University of Porto, FLUP (2020-2021, II semester).

Seminar: "Data visualization and Data Information." Porto, FLUP (29/10/2019).

Séminaire Centre Sèvres : « Ricoeur et la Bible : questions de langage » (Paris, 04/06/2019).

Séminaire Fonds Ricœur-EHESS (21/02/2015). « Ricœur, Foucault et le souci de soi ».

Séminaire Fonds Ricœur-EHESS (10/02/2014). « Ricœur, Kojève et l'hégélianisme français ».

Séminaire Fonds Ricœur-EHESS (22/04/2013). « Ricœur et Deleuze sur la narration ».

Séminaire Fonds Ricœur-EHESS (07/05/2012). « Si l'action est comme le texte, la fondation du social et le principe d'analogie ».

Séminaire EHESS-CEMS (28/02/2012). « Le statut de la représentation collective entre Ricoeur et Halwachs ».

Séminaire Fonds Ricœur-EHESS (06/12/2010). « La question de l'analogie chez Ricœur et les théologiens ».

« Storicismo e storicità. Appunti per un'introduzione alla critica della "coscienza storica" in *Verità e metodo* di Hans George Gadamer » [published in *Quaderni del Dottorato in storia della filosofia e storia delle idee, Università La Sapienza (Roma), 2006-2007*].

« "Volontario" e "involontario" nella Corrispondenza tra Maine De Biran e Destutt De Tracy » [published in *Quaderni del Dottorato in storia della filosofia e storia delle idee, Università La Sapienza (Roma), 2005-2006*].

- **Supervision and mentoring**

Master thesis of Niels Top on "Responsible Quantum Technology" (first supervisor) University of Twente – 2024

Master thesis of Leon Neut on "Governance of Machine Learning Models in Decision-Making" (second supervisor) University of Twente – 2024

PhD Thesis of Maaïke van der Horst on "Sex robots and Lacanian psychoanalysis" University of Twente – 2024

Assistance with thesis writing for PhD students. LUMSA University of Rome – 2022/2023

Supervision of students during the course Introduction to the History of Science (Philosophy of Technology) University of Porto – 2021/2022

Supervision of the "My technological pet" project by Mafalda Blanquart, University of Porto – 2022

- **Editorial Collaborations**

Associate editor for the journal *Palgrave Communications*; peer review for submitted papers; providing editorial advice; fields: anthropology, digital humanities, philosophy, science & technology.

Associate editor for the journal *Humanities and Social Sciences Communications*

Member of scientific board of journal *Critical Hermeneutics*

Member of scientific board of journal *Scenari*

Member of scientific board of journal *Philosophy Kitchen*

Member of scientific board of *Continental Philosophy Review* (Italian section, book reviews)

Reviewer for *Mind and Machines*

Reviewer for *Philosophy & Technology*

Reviewer for *Routledge*

Reviewer for *InCircolo Rivista*

Reviewer for *Dynamis. Rivista di filosofia e pratiche educative*

Reviewer for *Metapsychologica. Rivista della Scuola di psicoanalisi freudiana*

Collaborations:

- **Collaboration with startup**

- ELIF LAB (startup in Milan, Italy) – role: advisor in AI ethics (2021)
- UMNAI (startup in Malta) – role: advisor in AI ethics (2021)

- **Memberships**

MIND FOUNDATION – Professional member (Philosophy section, 2021-2022)

School of Freudian Psychoanalysis in Milan (regular member)

NPSA – The Neuropsychoanalysis Association (regular member, 2020-2021)

Society for Philosophy and Technology (regular member)

Association for Psychosocial Studies (regular member)

Correspondant du Fonds Ricoeur – Paris (<http://5.196.103.13/en/pages/correspondants-1.html>)

Centre of Hermeneutics of university Sorbonne I in Paris (prof. C. Romano)

Italian Society of Philosophy (regular member)

Institut Protestant de théologie – Paris

Italian Society of History of Philosophy

- **Conferences (workshops, round tables)**

1. Conference: ESDiT & 4TU Ethics Conference Rethinking Ethics – Reimagining Technology (University of Twente, 2-4 Oct. 2024). Talk: “Why failures matter: A postphenomenological investigation of technical breakdowns.”
2. Conference: Human Freedom at the test of AI and Neurosciences (LUMSA University of Rome, 2–5 Sept. 2024). Main organizer and promoter (in collaboration with S. Biancu).
3. Robotphilosophy conference: Social Robots With AI: Prospects, Risks, and Responsible Methods – Aarhus University, Aarhus, Denmark (20-23 August). Talk: “Geopolitics and Responsible Innovation.”
4. Conference: AI conference Twente, 10 July 2024, Enschede. Talk: “AI ethics: future perspectives.”
5. Workshop: “Configurazioni del simbolico: Tecnologia, Diritto, Soggettività” organizzato dall’associazione Il Litorale, Valledacqua, 14-15-16 June 2024. Talk: “La struttura psichica della macchina [The psychic structure of the device].”
6. Workshop: Xscape Project, “Materiality and the Predictive Brain” (University of Sussex, 7 June 2024). Poster accepted for presentation. Topic of the poster: “Decision-making and the free energy principle”.
7. Workshop: IPA (International Psychoanalytical Association) Webinar "Psychoanalysis and Artificial Intelligence" (31 May 2024). Talk: "Psychoanalysis and the algorithmic unconscious."
8. Conference: International Interdisciplinary Symposium on Rationality (University of Lille, 22-24 May 2024). Talk: “The Impact of Cognitive Inequalities in Public Decision-Making. An Active Inference Approach.”
9. Conference: “Critical Perspectives on Digital Technology and Political Subjects” (University of Lisbon, 13-14 May 2024). Talk: “The geopolitical limits of Responsible innovation and technology assessment.”
10. Digital Worlds Workshop (University of Texas Rio Grande Valley, 19-21 April 2024). Moderator and discussant.
11. Conference “Crítica dos imaginários da inteligência artificial, debate sobre *Digital Habitus* de Alberto Romele” (23 November 2023). Moderator and discussant.
12. 4S 2023 Honolulu (9 November 2023). Co-moderator of the panel “Responsible Future for Quantum Technologies” (together with Z. Seskir).
13. Workshop on ethical and social implications of quantum sensing (TU Delft, October 5-6, 2023). Organizer and moderator (together with P. Vermaas).

14. Conference of the Mexican Psychoanalytic Association - scientific session: *Psicoanálisis e Inteligencia Artificial* (23 September 2023). Talk: "The Algorithmic Unconscious. Bridging Psychoanalysis and Artificial Intelligence."
15. Round table for the summer school of the Doctorate in Learning Sciences & Digital Technologies (University of Rome LUMSA) – 30 August 2023 / talk: "A psychoanalytical approach to AI"
16. Conference CLMPST 2023 in Buenos Aires / talk: "An ethical approach to quantum technologies through the lens of identity politics" – 29 July 2023
17. Conference SPT 2023 in Tokyo / talk: "The quantum city: analysis of the ethical implications of the application of quantum technologies to infrastructure maintenance" – 9 June 2023
18. Conference SPT 2023 in Tokyo / panel: "The quantum future of mobility" (with P. Vermaas, Z. Zeskir, E. Perrier) – 9 June 2023
19. Conference: QWorld Quantum Science Day 2023 (29-30 May 2023). Talk: "Is it rational to connect quantum computers?"
20. Workshop: "Performing with AI Aesthetics" (6 April 2023). Talk: "AI Suggestion. The problem of suggestion and psychological manipulation in the AI series *Nothing, Forever.*"
21. Lecture: "Filosofia della tecnologia: controllo, mente e mediazione" 29 March 2023, Lumsa University of Rome.
22. Lecture: "Quantum Technologies and Identity Politics" 21 March 2023, TU Delft – Research Colloquium, Centre for Quantum and Society.
23. Workshop: "Ethical implications of quantum communication" (organizer, in collaboration with P. Vermaas) 3 February 2023, TU Delft.
24. Conference: "Soteria Ethics and Privacy Workshop" (17-18 November 2022). Communication: "Human and Artificial Intelligence."
25. Workshop "Responsible Quantum Innovation" (KIT-ITAS, Karlsruhe 6-7 December 2022). Speaker in the panel about "Quantum technologies and technology assessment" with Christopher Coenen (KIT-ITAS) and Douglas Robinson (CNRS).
26. Conference: Praxis Seminar at the University of Lisbon (25 October 2022). Communication: "Ethics and Quantum Technology. An Outline."
27. Conference: RobotPhilosophy 2022 – "Social Robots in Social Institutions" (August 2022). Communication: "Sociomorphing and Anthropomorphing in Social Robotics. A critical perspective." In collaboration with P. Bisconti.
28. Keynote speaker. Conference on data visualization and technology. University of Porto (Porto, 14 June 2022). Communication: "Feynman's diagrams. A Peircean Analysis".

29. Keynote speaker. Conference: Annual Conference of the Society for Phenomenology and Media (Shanghai, 25-27 March 2022). Communication: "Sociomorphing and Anthropomorphing in Social Robotics."
30. Keynote speaker. Conference: Budapest Workshop on Philosophy of Technology 2021 (Budapest, 9-10 December). Communication: "Artificial Intuition: The Analysis of a Supposed Revolution from a Philosophical Point of View."
31. Keynote speaker and main organizer of the conference on "Transhumanism and the Future of Humanity" – 21 October September 2021, University of Porto. Communication: "Transhumanism: a dangerous idea?"
32. Keynote speaker. Conference: "4º Congresso Internacional da Sociedade Portuguesa de Filosofia" Universidade do Minho, Braga (9-10 September 2021). Communication: "Data Visualization and Philosophy of Data. The Envisioning Ricoeur Project."
33. Webinar: "Will healthcare Artificial Intelligence de-skill human clinicians?" – 23 September 2021, School of Health and Society, University of Wollongong – discussant
34. Keynote speaker and main organizer of the workshop on "Ethics, Anthropomorphism, and Robots." Communication: "Ethics and Robots. The Case of Replika" – 23 June 2021, University of Porto.
35. Keynote speaker at the Society for Philosophy of Technology Conference 2021 "Technological Imaginaries." Communication: "Freud and the Algorithm. Neuropsychanalysis and AI" – 28-30 June, Catholic University of Lille; University of Compiègne.
36. Keynote speaker and main organizer of the workshop on "Psychoanalysis, AI, and the Critique of Identity." Communication: "Psychoanalysis and AI" – 8 June 2021, University of Porto.
37. Keynote speaker. PPS talks, University of Porto. Intervention: "Beneficial machines? AI and the problem of control" – 11 May 2021.
38. Keynote speaker. Conference: Asian Public Mental Health Virtual Conference. Communication: "A Freudian computer. Neuropsychanalysis and AI" – 29 January 2021.
39. Conference: "AI, Ethics & Law. What Is Fair and Unfair?" – Virtual Data Innovation Summit (22 September 2020) – discussant
40. Conference: "Philosophy of Human-Technology Relations 2020" (on-line 4/7 November) – participant
41. Keynote speaker and main organizer of the conference: "Michel Henry and the problem of the flesh" – May 2021, Porto, university of Porto (delayed because of covid).

42. Conference “Robophilosophy 2020” – 18/20 August 2020, Aarhus University (on-line) – discussant
43. Conference European On-line XPhi Conference – 19/21 June 2020 – discussant
44. Keynote speaker. Conference: 4 th Edition of International Conference on Mental Health & Psychiatry. Communication: “Can We Talk of a Psychology of Programming? Software and the Unconscious” – University of Wien, 16 July 2020.
45. Keynote speaker of the conference: “The Rhetoric of Complexity: Portraying Data Visualizations” – 25-27 March 2020, Pamplona, Spain – university of Pamplona. Speech: “From Texts to Images: Data Visualization and Textual Hermeneutics”.
46. Keynote speaker of the conference: “Algorithme et inconscient. Est-ce que la psychanalyse peut nous aider à comprendre l’IA?” – Catholic University of Lille, Ethics Lab (21 February 2020). Speech: “Why Should We Need an Algorithmic Unconscious?”.
47. Conference: “Ricoeur et les revues” – Bibliothèque François Mitterand, Paris (25 Janvier 2020) – discussant
48. Conference: “Justice sociale et nouveau monde du travail : une question technologique ou politique ?” – Fonds Ricoeur, Paris (23 Janvier 2020) – discussant
49. Séminaire formation / recherche: “Prothèses et innovations technologiques” – Catholic University of Lille, Ethics Lab – (21 January 2020) – discussant
50. Conference: Metaphysical Explanation III – University of Lund (8-9 January 2020) – discussant
51. Conference: Ce qui nous fait penser La nature et la règle. Association Paul Ricoeur – Fonds Ricoeur, Paris (19 December 2019) – discussant
52. Budapest Workshop on Philosophy of Technology – Budapest University of Technology and Economics (12-13 December 2019) – discussant
53. Conference: The Philosophy of Early Christianity in the Era of Digitalization – Fu Jen Catholic University, New Tapei City – Department of Philosophy (6-7 December 2019) – discussant
54. Keynote speaker of the conference: International Colloquim on Philosophy of Technology. The Politics of Objects (Córdoba, Argentina, 19-22 November 2019). Speech: “Making the Invisible Visible. The Phenomenon of Data Visualization”.
55. Conference: Ricoeur et le théologico-politique. Association Paul Ricoeur – Fonds Ricoeur, Paris (30 September-1 October 2019) – discussant
56. Main organiser / keynote speaker of the conference: The possibilities of phenomenology (25 October 2019, Porto). Speech: “A New Path for the Phenomenology”.

57. Keynote speaker of the conference: Technology and Society (Leuven, Belgium, 9-11 September 2019). Speech: "Code and Politics. A critical analysis of software through the notion of symbolic violence".
58. Main organiser / keynote speaker of the conference: The challenges of Design. Imagination, Aesthetics and New Technologies (26 June 2019, Porto). Speech: "The Paradox of Data Visualization for the Philosophy of Information".
59. Co-organiser / keynote speaker of the conference: Imagination, Knowledge and (Big) Data (Catholic University of Lille, 23-24 Jan. 2019). Speech : «Le texte sans lecteur, le lecteur sans texte. L'enigme du software».
60. Co-organiser / keynote speaker of the conference : Imaginary and Imagination. University of Porto, 22 feb. 2018.
61. Co-organiser / keynote speaker: Imaginary and Imagination. University of Porto, 19 oct. 2017. « The Subject in the Mirror. Image and Imagination in Lacan and Castoriadis ». Conference : Imaginary and Imagination. University of Porto, 19 oct. 2017.
62. Co-organiser / keynote speaker of the conference: Recursion, Writing, Iteration. A Graphics Foundation of Computational Reason. University of Porto, 25 may 2016. « Writing and Computation ».
63. Co-organiser / keynote speaker of the conference : Sujet et personne, Institut Catholique de Toulouse (ICT) – 01/03/2016. « La constitution de la personne chez Paul Ricœur, entre temps et récit ».
64. « Colloquio Castelli» (Il monoteismo come problema) – Rome, Università La Sapienza – participant (01/06/2016).
65. Keynote speaker of the conference : Journée d'études sur le thème «Ricœur et la culture» (organisé par J. Michel et G. Vincent) – Paris, Fonds Ricœur. Communication sur « L'hégélisme entre Ricœur et Kojève » (25/12/15).
66. Keynote speaker of the conference : Journée d'études sur le spiritualisme, at Institut catholique de Toulouse (24/11/15). Communication sur « Ricœur et la tradition de l'effort ».
67. Keynote speaker of the conference : Identité et intersubjectivité at Fonds Ricœur-Sorbonne (28,29/11/14). Communication sur « Kripke, l'identité et la question des noms propres ».
68. Keynote speaker of the conference : Seminario della Fondazione Campostrini (Il sacramento come radicalizzazione dell'analogia) – Verona, Fondazione Campostrini – 25/11/2014. Speech : « L'analogia come fenomeno ricorsivo ».
69. Keynote speaker of the conference : Convegno Grios, gruppo di studio sull'ontologia sociale 25/06/ 2014 – Arcavacata di Rende, Università della Calabria. Communication : « Ricoeur and Hegel ».

70. Keynote speaker of the conference : Congrès mondial de philosophie – Athènes, août 2013. Table ronde sur l'œuvre de Paul Ricœur, en collaboration avec le Prof. P. Kemp et le Prof. P. Skúlason.
71. Co-organiser of the Congrès international sur P. Ricœur – Paris, Fonds Ricœur 2013.
72. Keynote speaker of the conference : Journée d'étude à l'Université de Louvain-la-Neuve (5-6/11/13): Autour de Claude Romano. Speech : « Raison phénoménologique et expérience : le statut de l'a priori matériel ».
73. Journée d'étude organisée par les Archives Husserl et le Fonds Ricœur (14/01/13): « La métaphore révisée » – discutant
74. Convegno, università « La Sapienza » di Roma (19/04/12): « La Parola, la Lettera e il Verbo » – discutant
75. Keynote speaker of the conference : Journée d'étude à l'Université de Louvain-la-Neuve (28/04/12): « Un « vieux différend »: le L/logos, le(s) L/livre(s), la Philosophie ». Sur l'ouverture et l'origine. Speech: « Le défi du logos chez Jacques Derrida ».
76. Journée du Fonds Ricœur (Paris, 25/06/12): « *Temps et récit* au miroir de ses traductions » – discutant
77. Keynote speaker of the conference : Congrès international ASPLF (24-28/08/ 2012). Speech: « La conception juridique de la citoyenneté chez Paul Ricœur ».
78. Keynote speaker of the conference : Congresso internazionale di studi ricœuriani (Lecce 24-28/09/2012): « Attraverso la crisi e il conflitto: pensare altrimenti con Paul Ricœur ». Speech: « *Analogia entis*: Ricœur interprete di Tommaso ».
79. Keynote speaker of the conference : International Symposium of Eco-Ethica (Naples, 28/09/2012): « Ethics and Technology / Ethique et technologie ». Speech: « Le cogito herméneutique et l'éthique fragmentée. Les rapports entre éthique et politique chez Ricœur ».
80. Journée Ricœur à la Faculté protestante de théologie (Paris, 24/01/2012): « Ricœur, Hegel et la négation » – participant
81. Journée Ricœur à la Faculté protestante de théologie (Paris, 21/03/2011): « En hommage à Paul Ricœur » (organisée par les enseignants de la Faculté protestante de théologie de Paris avec la collaboration des frères dominicains du Centre d'études du Saulchoir).
82. Keynote speaker of the conference : Journée Ricœur à la Faculté protestante de théologie (Paris, 20/06/2011): « Ricœur et les théologiens » Communication : « Barth et Ricœur face à l'analogie ».
83. Journée Ricœur à la Faculté protestante de théologie (Paris, 10/05/2010): « Problèmes herméneutiques » – discutant

84. Journée Ricœur à la Faculté protestante de théologie (Paris, 3-4/12/2010): «*La mémoire, l'histoire, l'oubli* dix ans après» – discutant
85. Journée d'étude sur la «Philosophie de la volonté»– Fonds Ricœur (Paris, 28/3/2010) – participant
86. «Colloquio Castelli» – Facoltà di Filosofia dell'università «La Sapienza» di Roma (4-6/01/2010) – participant
87. «Colloquio Castelli» – Facoltà di Filosofia dell'università «La Sapienza» de Rome (4-6/01/2009) – participant
88. Convegno internazionale (Roma, 8-9/01/2009) «Che cosa significa donare?» - università degli studi Roma Tre, università degli studi della Calabria – discutant
89. Congresso nazionale dei dottorandi di ricerca in filosofia (Istituto Banfi – Reggio Emilia; 2008) – discutant
90. Giornata di studi in omaggio a Paul Ricœur: «Itinerari ermeneutici. A partire da *La memoria, la storia, l'oblio*» – università degli studi Roma Tre (Roma, 3/06/2008) – participant
