HUMANITIES AREA – LIBERAL STUDIES IN COMMUNICATION .....	23

## Law and Politics Area

### Law and Politics Area – Economics, Management and Quantitative Methods

#### Courses:

- Economics and management (Bachelor's degree) EMA
- Economics: behavior, data and policy (Bachelor's degree) ECON
- Public sector and Healthcare management (Bachelor's degree) MAPS
- Data Science for Economics/Data Science for Economics and Health (Master's degree) DSE/DSEH
- Finance and economics (Master's degree) MEF
- Management of Health Systems and Organisations (Master's degree) MASS
- Economics and political science (Master's degree) EPS
- Management of Innovation and Entrepreneurship (Master's degree) MIE

#### Specific requirements:

Who can apply:

- Students enrolled in a Bachelor's degree programme who earned at least **9 credits**, which should be registered by **03/03/2026**
- Students enrolled in a Master's degree Programme who earned at least **6 credits**, which should be registered by **03/03/2026**

Students enrolled in Data Science for Economics/ Data Science for Economics and Health Master's degree programme must submit one application only. If the Area of Political, Economic and Social Sciences is chosen, only the destinations of this Area should be selected. Any other destination related to Computer Science Area will not be taken into account by the Commission.

#### Selection procedures:

The selection is based on the documents provided during the application. No interview is scheduled.

#### Assigned points (max. 15):

Conoscenza linguistica/language skills	Programma di formazione/learning agreement proposal	Cv e carriera pregressa/cv and career
3	5	7

### Law and Politics Area - Law

#### Courses:

- Sciences of Legal Services (Bachelor's degree programme)
- Law (single cycle programme)
- Law and Sustainable Development (Master's degree)

- Business Administration, Law and Corporate Governance (Master's degree)

**Specific requirements:**

Who can apply:

- All students enrolled in the Bachelor's degree in Sciences of Legal Services
- Students enrolled at least in the **second year** of the single cycle programme in Law
- All students enrolled in the Masters' degrees in Law and Sustainable Development and Business Administration, Law and Corporate Governance

**Selection procedures:**

The selection is based on the documents provided during the application. No interview is scheduled.

**Assigned points (max. 15):**

Conoscenza linguistica/language skills	Programma di formazione/learning agreement proposal	Cv e carriera pregressa/cv and career
5	5	5

**Law and Politics Area – Social and Political Sciences****Courses:**

Bachelor's degrees:

- Political Sciences - SPO
- Communication and Society - CES
- Social Sciences for Globalisation - GLO
- Management of Organization and Labour - MOL

Master's degree:

- Public and Corporate communication - COM
- Administration and Public Policy- APP
- Management of Human Resources - MHR
- Global Politics and Society - GPS
- Politics, Philosophy and Public Affairs – PPPA
- Computational Social and Political Science - CSPS

**Specific requirements:**

Who can apply:

- Students enrolled in a Bachelor's degree programme who earned at least **9 credits**, which should be registered by **03/03/2026**
- All students enrolled in a Master's Degree Programme

**Selection procedures:**

The selection is based on the documents provided during the application. No interview is scheduled.

**Assigned points (max. 15):**

Conoscenza linguistica/language skills	Programma di formazione/learning agreement proposal	Cv e carriera progressa/cv and career
5	5	5

## Law and Politics Area - International, Legal, Historical and Political Studies

### Courses:

- International Studies and European Institutions (Bachelor's degree) SIE
- International Politics, Law and Economics (Bachelor's degree) IPLE
- Political Science and Government (Master's degree) GOV
- International Relations (Master's degree) REL

### Specific requirements:

Who can apply:

- Students enrolled in a Bachelor's degree programme who earned at least **12 credits**, which should be registered by **03/03/2026**
- Students enrolled in a Master's degree Programme

### Selection procedures:

The selection is based on the documents provided during the application. No interview is scheduled.

### Assigned points (max. 15):

Conoscenza linguistica/language skills	Programma di formazione/learning agreement proposal	Cv e carriera progressa/cv and career
3	7	5

## Medicine Area

### Medicine Area – Medical Biotechnology

#### Courses:

- Medical Biotechnology (Bachelor's degree programme)
- Medical Biotechnology and Molecular Medicine (Master's degree)

#### Specific requirements:

Who can apply:

- Students enrolled at least in the **second year** of Bachelor's degree programme in Medical Biotechnology
- All students enrolled in the Master's degree in Medical Biotechnology and Molecular Medicine

**Selection procedures:**Interview date: **Wednesday 11th March 2026 at 08:45 (in person)**

Place: Aula “A. Pagano” - Department of Biomedical Sciences for Healthcare, Via C. Pascal 36 – Milan.

**Assigned points (max. 15):**

Conoscenza linguistica/language skills	Programma di formazione/learning agreement proposal	Cv e carriera pregressa/cv and career
5	4	6

**Medicine Area – Veterinary Biotechnology****Courses:**

- BioTechnology– comparative animal biotechnology curriculum (Bachelor’s degree)
- Veterinary BioTechnologySciences (Master’s degree)

**Specific requirements:**

Who can apply:

- Students enrolled at least in the **second year** of their Bachelor’s degree programme
- all the Students enrolled in the Master’s degree programme

Students enrolled at the Bachelor’s degree in Biotechnology should apply only to the destinations that refer to their curriculum.

**Selection procedures:**Interview date: **Wednesday 11th March 2026 - at 14:00 (online)****Link for the interview**

Assigned points (max. 15):

Conoscenza linguistica/language skills	Programma di formazione/learning agreement proposal	Cv e carriera pregressa/cv and career
3	8	4

**Medicine Area - Medicine****Courses:**

- Medicine and Surgery – all University poles (single-cycle programme)
- International Medical School (single-cycle programme)

**Specific requirements:**

Who can apply:

- Students enrolled at least in their **third year** of the single-cycle Master's degree programme in Medicine and Surgery, and in International Medical School

Please note that some partner Universities require the submission of a clean bill of health and a copy of your Vaccination Certificate (at least rubella, tuberculosis and Hepatitis B).

#### Selection procedures:

The selection is based on the documents provided during the application. No interview is scheduled.

#### Assigned points (max. 15):

Conoscenza linguistica/language skills	Programma di formazione/learning agreement proposal	Cv e carriera pregressa/cv and career
5	5	5

## Medicine Area – Veterinary Medicine

#### Course:

- Veterinary Medicine (single cycle programme)

#### Specific requirements:

Who can apply:

- Students enrolled at least in their **second year** of the single-cycle Master's degree programme in Veterinary Medicine who earned at least **6 credits**, which should be registered by 03/03/2026

#### Selection procedures:

Interview date: **Tuesday 10th March 2026 - at 15:00 (online)**

#### Link for the interview

#### Assigned points (max. 15):

Conoscenza linguistica/language skills	Programma di formazione/learning agreement proposal	Cv e carriera pregressa/cv and career
3	6	6

## Medicine Area – Dental Medicine

#### Courses:

- Dental Medicine (single cycle programme)

#### Specific requirements:

Who can apply:

- Students enrolled at least in the **third year** of the single-cycle degree programme in Dental Medicine

Please note that some partner Universities require the submission of a clean bill of health and a copy of your Vaccination Certificate (at least rubella, tuberculosis and Hepatitis B).

### Selection procedures:

The selection is based on the documents provided during the application. No interview is scheduled.

### Assigned points (max. 15):

Conoscenza linguistica/language skills	Programma di formazione/learning agreement proposal	Cv e carriera pregressa/cv and career
3	5	7

## Medicine Area – Animal Production

### Courses:

- Animal Production Sciences (Bachelor's degree)
- Breeding and Welfare of Companion Animals (Bachelor's degree)
- Animal Husbandry Sciences and Technologies (Master's degree)

### Specific requirements:

Who can apply:

- All students enrolled in a Bachelor's degree programme, who earned at least **3 credits** by **03/03/2026**
- All students enrolled in the Master's degree programme, who earned at least **3 credits** by **03/03/2026**

### Selection procedures:

The selection is based on the documents provided during the application. No interview is scheduled.

### Assigned points (max. 15):

Conoscenza linguistica/language skills	Programma di formazione/learning agreement proposal	Cv e carriera pregressa/cv and career
3	5	7

## Medicine Area – Healthcare-related Professions

### Courses:

- Nursing (Bachelor's degree programme)
- Orthoptic and Ophthalmologic Assistance (Bachelor's degree programme)
- Speech and Language Therapy (Bachelor's degree programme)
- Dietetics (Bachelor's degree programme)
- Physiotherapy (Bachelor's degree programme)
- Podiatry (Bachelor's degree programme)
- Midwifery (Bachelor's degree programme)

- Professional Education (Bachelor's degree programme)
- Occupational Therapy (Bachelor's degree programme)
- Biomedical Laboratory Techniques (Bachelor's degree programme)
- Nursing and Midwifery Sciences (Master's degree)

**Specific requirements:**

Who can apply:

- Students enrolled at least in the **second year** of a Bachelor's degree programme, as well as all Students enrolled in the Master's degree programme.

**Selection procedures:**Interview date: **Wednesday 11th March 2026 at 08:45 (in person)**

Place: Aula "A. Pagano" - Department of Biomedical Sciences for Healthcare, Via C. Pascal 36 – Milan.

**Assigned points (max. 15):**

Conoscenza linguistica/language skills	Programma di formazione/learning agreement proposal	Cv e carriera pregressa/cv and career
5	4	6

**Medicine Area – Cognitive Sciences****Course:**

- Cognitive Sciences and Decisional Processes (Master's degree)

**Specific requirements:**

There are no minimum requirements to apply.

**Selection procedures:**

The selection is based on the documents provided during the application. No interview is scheduled.

**Assigned points (max. 15):**

Conoscenza linguistica/language skills	Programma di formazione/learning agreement proposal	Cv e carriera pregressa/cv and career
4	4	7

**Medicine Area - Psychological Sciences****Courses:**

- Psychological Sciences for Prevention and Treatment (Bachelor's degree programme)
- Psychology in Healthcare (Master's degree)
- Clinical and Experimental Neuropsychology (Master's degree)

**Specific requirements:**

There are no minimum requirements to apply.

**Selection procedures:**

The selection is based on the documents provided during the application. No interview is scheduled.

**Assigned points (max. 15):**

Conoscenza linguistica/language skills	Programma di formazione/learning agreement proposal	Cv e carriera progressa/cv and career
5	5	5

**Scientific Area****Scientific Area – Agricultural Biotechnology****Courses:**

- Biotechnology – biotechnology for the sustainability of the agri-food system curriculum (Bachelor's degree)
- Biotechnology for Bioeconomy (Master's degree)

**Specific requirements:**

Who can apply:

- Students enrolled at least at their **second year** of the Bachelor's degree programme
- Students enrolled in a Master's degree Programme

Students enrolled at the Bachelor's degree in Biotechnology should apply only to the destinations that refer to the agrifood curriculum.

**Selection procedures:**

Interview date: **Monday 9th march 2026 - at 16:00 (in person)**

Place: Meeting room Bdg. 21040 - DeFENS; Sez. Scienze chimiche e biomolecolari - Via Celoria, 2 - Milano

**Assigned points (max. 15):**

Conoscenza linguistica/language skills	Programma di formazione/learning agreement proposal	Cv e carriera progressa/cv and career
3	8	4

**Scientific Area – Industrial and Environmental Biotechnology****Courses:**

- Biotechnology – molecular-bioinformatics curriculum (Bachelor's degree programme)
- BioTechnology and Bioinformatics (Master's degree)

- Bioinformatics for Computational Genomics (Master's degree)
- Quantitative Biology (Master's degree)

**Specific requirements:**

Students enrolled:

- at least in the **second year** of Bachelor's degree programme in Biotechnology, who have chosen the Molecular-bioinformatics curriculum
- Students enrolled in the abovementioned Master's degrees

Students enrolled at the Bachelor's degree in Biotechnology should apply only to the destinations that refers to their curriculum.

**Selection procedures:**Interview date: **Wednesday 11th March 2026 - at 13:30 (in person)**

Place: Classroom *ex Lauree* - second floor - A tower – Biology buildings - Department of Biosciences, Via Celoria 26 – Milan

**Assigned points (max. 15):**

Conoscenza linguistica/language skills	Programma di formazione/learning agreement proposal	Cv e carriera pregressa/cv and career
3	8	4

**Science and Technology Area - Chemistry****Courses:**

- Chemistry (Bachelor's degree)
- Industrial Chemistry (Bachelor's degree)
- Chemistry (Master's degree)
- Industrial Chemistry / Sustainable industrial chemistry (Master's degree)

**Specific requirements:**

There are no minimum requirements to apply.

Selection procedures:

Interview date: **Tuesday 10th March 2026- at 14:30 (online)****Link fo the interview****Assigned points (max. 15):**

Conoscenza linguistica/language skills	Programma di formazione/learning agreement proposal	Cv e carriera pregressa/cv and career
3	6	6

## Scientific Area - Physics

### Courses:

- Physics (Bachelor's degree)
- Physics (Master's degree)
- Geophysics (Master's degree)

### Specific requirements:

Who can apply:

- Students enrolled at least in their **second year** of the Bachelor's degree programme in Physics
- All students enrolled in the Master's degree

### Selection procedures:

Interview date: **Friday 13th March 2025 – at 14:30 (in person)**

Sede: Aula Caldirola, Dipartimento di Fisica, Via Celoria 16 – Milano.

### Assigned points (max. 15):

Conoscenza linguistica/language skills	Programma di formazione/learning agreement proposal	Cv e carriera pregressa/cv and career
2	8	5

## Scientific Area – Computer Science

### Courses:

- Computer Science (Bachelor's degree),
- Computer Systems and Networks Security (Bachelor's degree), Computer Systems and Networks Security – online course (Bachelor's degree),
- Music Information Science (Bachelor's degree),
- Computer Science for New Media Communications (Bachelor's degree),
- Computer Science (Master's degree),
- Informatics Security (Master's degree),
- Data Science for Economics/ Data Science for Economics and Health (Master's degree)

### Specific requirements:

Who can apply:

- Students enrolled in a Bachelor's degree programme, who earned at least **6 credits**, which should be registered by **03/03/2026**
- Students enrolled in a Master's degree Programme, who earned at least **6 credits**, which should be registered by **03/03/2026**

Please note that Students enrolled in Data Science for Economics/ Data Science for Economics and Health Master's degree must apply to one Area only (Economics or Computer Science). If the

Computer Science area is chosen, only the destinations of this Area should be selected: any other destinations related to the Economics Area will not be considered by the Commission.

**Selection procedures:**

The selection is based on the documents provided during the application. No interview is scheduled.

**Assigned points (max. 15):**

Conoscenza linguistica/language skills	Programma di formazione/learning agreement proposal	Cv e carriera pregressa/cv and career
3	5	7

**Scientific Area - Mathematics****Courses:**

- Mathematics (Bachelor's degree)
- Mathematics (Master's degree)

**Specific requirements:**

Who can apply:

- Students enrolled in the Bachelor's degree programme, who earned at least **12 credits**, which should be registered by **03/03/2026**
- All students enrolled in the Master's degree Programme,

**Selection procedures:**

Interview date: **Tuesday 10th March 2026 - at 14:00 (in person)**

Place: -----

**Assigned points (max. 15):**

Conoscenza linguistica/language skills	Programma di formazione/learning agreement proposal	Cv e carriera pregressa/cv and career
3	4	8

**Scientific Area – Biological Sciences****Courses:**

- Biological Sciences (Bachelor's degree)
- Biodiversity and Evolutionary Biology (Master's degree)
- Biology Applied to Research in Biomedicine (Master's degree)
- Applied Biology in Nutritional Sciences (Master's degree)
- Molecular Biology of the Cell (Master's degree)

**Specific requirements:**

Who can apply:

- Students enrolled at least in the **second year** of Bachelor's degree programme in Biological Sciences, who earned at least **15 credits** (exams registered by the **03/03/2026**) and with a GPA of at least **25/30**
- All students enrolled in a Master's degree programme, with a final Bachelor's degree grade not lower than **96/110** or, for graduated abroad, a vote considered equivalent by the commission.

**Selection procedures:**Interview date: **Wednesday 11th March 2026 - at 14:30 (in person)**

Place: Classroom 1-2A, Dipartimento di Bioscienze, Via Celoria 26 - Milan

**Assigned points (max. 15):**

Conoscenza linguistica/language skills	Programma di formazione/learning agreement proposal	Cv e carriera pregressa/cv and career
4	7	4

**Scientific Area – Environmental Science and Policy (ESP)****Courses:**

- Environmental Science and Policy/ Environmental Science and Policy for Sustainability (Bachelor's degree) – SEPA
- Environmental and Food Economics (Master's degree) – EFE
- Environmental Change and Global Sustainability (Master's degree) – ECGS
- Analysis, Planning and Sustainable Management of Land and Territory – APGEST

**Specific requirements:**

Who can apply:

- Students enrolled at least in their **second year** of Bachelor's degree programme, who earned at least **3 credits**, which should be registered by **03/03/2026**
- Students enrolled in a Master's degree programme, who earned at least **3 credits**, which should be registered by **03/03/2026**

**Selection procedures:**

The selection is based on the documents provided during the application. No interview is scheduled.

**Assigne points (max. 15):**

Conoscenza linguistica/language skills	Programma di formazione/learning agreement proposal	Cv e carriera pregressa/cv and career
5	5	5

## Scientific Area – Agricultural Sciences and Technologies

### Courses:

- Improvement and Protection of Mountain Environments (Bachelor's degree)
- Management of Cultivated Plants and Landscaping (Bachelor's degree)
- Sustainable Agriculture (Bachelor's degree)
- Crops and Plant Sciences (Master's degree)
- Agricultural Sciences for Sustainability (Master's degree)
- Valorization and Sustainable Development of Mountain Areas (Master's degree)
- Sustainable Natural Resource Management (Master's degree)
- Global Environment and Development (Master's degree)

### Specific requirements:

There are no minimum requirements to apply.

### Selection procedures:

Interview date: **Monday 9th March 2026 - at 09:30 (online)**

### Link fo the interview

### Assigned points (max. 15):

Conoscenza linguistica/language skills	Programma di formazione/learning agreement proposal	Cv e carriera progressa/cv and career
5	5	5

## Scientific Area – Food Science and Technology

### Courses:

- Science and Technology for Sustainable Food (Bachelor's degree)
- Food Service and Retail Sciences (Bachelor's degree)
- Viticulture and Enology (Bachelor's degree)
- Food Science and Technology (Master's degree)
- Human Nutrition and Food Science (Master's degree)

### Specific requirements:

Who can apply:

- Students enrolled at least in the **second year** of a Bachelor's degree programme, who earned at least **30 credits** by the **03/03/2026**;
- All students enrolled in a Master's degree Programme

### Selection procedures:

Interview date: **Tuesday 10th March 2026 - at 14:30 (online)**

### Link for the interview

### Assigned points (max. 15):

Conoscenza linguistica/language skills	Programma di formazione/learning agreement proposal	Cv e carriera pregressa/cv and career
5	5	5

## Scientific Area - Pharmacy

### Courses:

- Pharmaceutical Chemistry and Technology (single cycle programme)
- Pharmacy (single-cycle programme)
- Herbal Sciences and Technologies (Bachelor's degree)
- BioTechnology – pharmacy curriculum (Bachelor's degree)
- Toxicology for the Human and Environmental Safety (Bachelor's degree)
- Chemical safety and Toxicological Environmental Sciences (Bachelor's degree)
- Natural Health Products Sciences (Bachelor's degree)
- Pharmaceutical BioTechnology (Master's degree)
- Safety Assessment of Xenobiotics and Biotechnological Products (Master's degree)

### Specific requirements:

Who can apply:

- Students enrolled in BioTechnology– Pharmacycurriculum (Bachelor's degree) at least in the **second year**
- Students enrolled at least in the **second year** of all the others Bachelor's degree programme listened above, who earned at least **30 credits** by the **03/03/2026**
- All students enrolled in a Master's degree and a single-cycle Master's degree programme

Where foreseen, students enrolled at single-cycle degrees in Pharmacy and in Pharmaceutical Chemistry and Technology are eligible for traineeship activity in Hospital pharmacy for no longer than 3 months.

Students enrolled at the Bachelor's degree in Biotechnology – pharmacy curriculum should apply only to the destinations that refers to their curriculum.

### Selection procedures:

Interview date: **Friday 13th March 2026 - at 13:30 (online)**

### Link for the interview

### Assigned points (max. 15):

Conoscenza linguistica/language skills	Programma di formazione/learning agreement proposal	Cv e carriera pregressa/cv and career
3	8	4

## Scientific Area – Geological sciences

### Courses:

- Geological Sciences (Bachelor's degree)
- Cultural Heritage: Sciences, Technologies and Diagnostics (Bachelor's degree)
- Earth Sciences (Master's degree)
- Cultural Heritage Conservation Science (Master's degree)
- Geophysics (Master's degree)

### Specific requirements:

Who can apply:

- Students enrolled at least in their **second year** of the Bachelor's degree programme, who earned at least **15 credits**, which should be registered by **03/03/2026**
- Students enrolled in a Master's degree Programme

### Selection procedures:

The selection is based on the documents provided during the application. No interview is scheduled.

### Assigned points (max. 15):

Conoscenza linguistica/language skills	Programma di formazione/learning agreement proposal	Cv e carriera progressa/cv and career
2	8	5

## Scientific Area – Sports Sciences

### Courses:

- Exercise, Sport and Health Sciences (Bachelor's degree)
- Individual and Team Sport Science (Master's degree)
- Exercise Science for Healthy Life (Master's degree)

### Specific requirements:

Who can apply:

- Bachelor's degree students who earned at least **12 credits**, which should be registered by **03/03/2026**
- Students enrolled in a Master's degree Programme

### Selection procedures:

Interview date: **Wednesday 11th March 2026 - at 15:00 (in person)**

Place: Sala Riunioni, via Giuseppe Colombo, 71 - Milano

### Assigned points (max. 15):

Conoscenza linguistica/language skills	Programma di formazione/learning agreement proposal	Cv e carriera progressa/cv and career
5	5	5

## Scientific Area – Natural Sciences

### Courses:

- Natural Sciences (Bachelor's degree)
- Biogeosciences: Analysis of Ecosystem and Science Communication (Master's degree)

### Specific requirements:

Who can apply:

- Students enrolled at least in the second year of Bachelor's degree programme in Natural Sciences, as well as all Students enrolled in the Master's degree.

### Selection procedures:

Interview date: **Tuesday 10th March 2026 - at 14:30 (in person)**

Place: Classroom "Ex-lauree" al secondo piano della Torre A presso il Dipartimento di Bioscienze, via Celoria 26 – Milano.

### Assigned points (max. 15):

Conoscenza linguistica/language skills	Programma di formazione/learning agreement proposal	Cv e carriera progressa/cv and career
3	8	4

## Humanities Area

### Humanities Area - Ancient Civilisations for the Contemporary World

### Courses:

- Ancient Civilisations for the Contemporary World (Bachelor's degree)

### Specific requirements:

There are no minimum requirements to apply.

### Selection procedures:

Interview date: **Thursday 12th March 2026 - at 09:00 (online)**

### Link for the interview

### Assigned points (max. 15):

Conoscenza linguistica/language skills	Programma di formazione/learning agreement proposal	Cv e carriera progressa/cv and career
3	6	6

## Humanities Area – Cultural Heritage and Environment

### Courses:

- Science of Cultural Property (Bachelor's degree),
- Archaeology (Master's degree),
- History and Criticism of Art (Master's degree)
- Music, Cultures, Media, Performance (Master's degree)
- Theatre, Arts, Literatures. International Studies in Intermediality (Master's degree)

### Specific requirements:

Who can apply:

- Students enrolled in a Bachelor's degree programme who earned at least **12 credits**, which should be registered by **03/03/2026**
- Students enrolled in a Master's degree Programme

### Selection procedures:

Interview date: **Friday 13th March 2026 - at 09:30 (in person)**

Place: classroom 113 - Via Festa del Perdono, 7 - Milan

### Assigned points (max. 15):

Conoscenza linguistica/language skills	Programma di formazione/learning agreement proposal	Cv e carriera progressa/cv and career
6	6	3

Students enrolled in the Master's Degree Programme "*Theatre, Arts, Literatures. International Studies in Intermediality*" may apply for mobility placements offered both within the "Languages" area and the "Cultural Heritage" area.

If an application includes destinations from both areas, it is necessary to upload, for each selected university, the appropriate linguistic documentation, in line with the specific requirements of each area:

- "**Languages**" area: self-certification of language skills (Form 2);
- "**Cultural Heritage**" area: language certificate/attestation indicating the required level, or a *screenshot* from Unimia.

Applicants are also required to attend both selection interviews:

- the interview for the "Languages" area, held online, during which language skills will also be assessed;

- the interview for the “Cultural Heritage” area, which will take place in person.

## Humanities Area- Philosophy

### Courses:

- Philosophy (Bachelor’s degree)
- Philosophical Sciences (Master’s degree)
- Human-centered artificial intelligence (Master’s degree)

### Specific requirements:

Who can apply:

- Students enrolled in a Bachelor’s degree programme who earned at least **12 credits**, which should be registered by **03/03/2026**
- All students enrolled in a Master’s degree Programme

### Selection procedures:

The selection is based on the documents provided during the application. No interview is scheduled.

### Assigned points (max. 15):

Conoscenza linguistica/language skills	Programma di formazione/learning agreement proposal	Cv e carriera pregressa/cv and career
3	10	2

## Humanities Area – Humanities

### Courses:

- Humanities (Bachelor’s degree)
- Modern Humanities (Master’s degree)
- Philology, Literature and History of Antiquity (Master’s degree)

### Specific Requirements:

There are no minimum requirements.

### Selection procedures:

Interview date: **Thursday 12th March 2026 - at 09:00 (in person)**

Place: Classroom Seminari – Sezione di Modernistica - via Festa del Perdono 7 – Milan.

### Assigned points (max. 15):

Conoscenza linguistica/language skills	Programma di formazione/learning agreement proposal	Cv e carriera pregressa/cv and career
7	6	2

## Humanities Area - Foreign Languages and Literatures

### Courses:

- Foreign Languages and Literatures / Modern Languages and Literature (Bachelor's degree)
- European and Extraeuropean Languages and Literatures / Languages and Literature for Education, Criticism and Translation (Master's degree)
- Theatre, Arts, Literatures. International Studies in Intermediality (Master's degree)

### Specific requirements:

Who can apply:

- Students enrolled in a Bachelor's degree programme who earned at least **9 credits**, which should be registered by **03/03/2026**
- Students enrolled in a Master's Degree Programme

### Selection procedures:

Interview date: **Friday 13th March 2026 - at 09:00 (online)**

### Link for the interview

### Assigned points (max. 15):

Conoscenza linguistica/language skills	Programma di formazione/learning agreement proposal	Cv e carriera progressa/cv and career
6	6	3

Students enrolled in the Master's Degree Programme "*Theatre, Arts, Literatures. International Studies in Intermediality*" may apply for mobility placements offered both within the "Languages" area and the "Cultural Heritage" area.

If an application includes destinations from both areas, it is necessary to upload, for each selected university, the appropriate linguistic documentation, in line with the specific requirements of each area:

- "**Languages**" area: self-certification of language skills (Form 2);
- "**Cultural Heritage**" area: language certificate/attestation indicating the required level, or a *screenshot* from Unimia.

Applicants are also required to attend both selection interviews:

- the interview for the "Languages" area, held online, during which language skills will also be assessed;
- the interview for the "Cultural Heritage" area, which will take place in person.
