

**ASSESSMENT BOARD**

**FOR APPLICATIONS OF ADMISSION TO YEARS SUBSEQUENT TO YEAR I**

**OF SINGLE-CYCLE MASTER'S DEGREE PROGRAMMES**

**FACULTY OF MEDICINE**

**FURTHER DETAILED CRITERIA**

Pursuant to art. 5.6 of the Regulations for assessing applications for admission to years subsequent to Year I of nationally capped Bachelor's, Master's, and single-cycle Master's degree programmes of the Faculty of Medicine of the University of Milan, the assessment board for applications for admission to single-cycle study programmes, a.y. 21/22, has set the following detailed criteria:

**1) BLOCKS**

Candidates who have not successfully completed the following courses, or who fail to submit evidence thereof, will NOT be eligible for applying for admission pursuant to art. 5.2 of the Regulations for assessing applications for admission to years subsequent to Year I and in accordance with programme-specific regulations available on the website [www.unimi.it](http://www.unimi.it)

[Single cycle Master's degree programme in Medicine - Main campus - D51](#)

<b>Year</b>	<b>Admission requirements</b> <i>(course syllabus to be assessed by the Board for consistency with the respective UNIMI study programme)</i>	<b>SSD (subject area)</b>	<b>CFU (academic credits)</b>
Year II	Histology and Embriology	BIO/17	7 (at least)
	plus at least 2 first-year exams	SSD (academic field) of the exams under review	CFU (academic credits) for the exams under review
Year III	Human Anatomy	BIO/16	18 (at least)
	plus at least 4 first- and second-year exams	SSD (academic field) of the exams under review	CFU (academic credits) for the exams under review
Year IV	Human Physiology	BIO/09	18 (at least)
	plus at least 6 first-, second- and third-year exams	SSD (academic field) of the exams under review	CFU (academic credits) for the exams under review

[Single-cycle Master's degree programme in Dental Medicine - D54](#)

Year	Admission requirements <i>(course syllabus to be assessed by the Board for consistency with the respective UNIMI study programme)</i>	SSD (subject area)	CFU (academic credits)
Year II	Histology	BIO/17	7 (at least)
	plus at least 3 first-year exams	SSD (academic field) of the exams under review	CFU (academic credits) for the exams under review
Years subsequent to Year II	No more than three outstanding exams for the year prior to the year into which admission is sought, no more than two outstanding exams for further previous years	SSD (academic field) of the exams under review	CFU (academic credits) for the exams under review

For the purposes of ranking eligible applicants to the single-cycle Master's degree programme in Dental Medicine, no credits earned through individual modules of multiple-module courses will be considered if the candidate has not passed the whole exam.

## 2. TABLE OF CONVERSION OF FOREIGN QUALIFICATIONS

For exams taken in a foreign university with a different grading system, the Board will use the following formula:

$$\text{Grade} = \frac{G - G_{\min}}{G_{\max} - G_{\min}} * (I_{\max} - I_{\min}) + I_{\min}$$

G = Grade to be converted

G<sub>min</sub> = Passing grade in the home university

G<sub>max</sub> = Top grade in the home university

I<sub>min</sub> = Passing grade in Italian universities (= 18/30)

I<sub>max</sub> = Top grade in Italian universities (= 30/30)

For qualitative assessments, the following conversion scale is used:

Assessment to be converted	Grade
A	30
B	28
C	26
D	23
E	18

## 3. Honours

For the purposes of ranking eligible candidates, honours are not considered: 30 cum laude is equivalent to 30.

## 4. Assessment of activities not included in the study plans of UNIMI programmes

For the purposes of ranking eligible candidates, the Board will not assess any activities or exams that are not consistent with the study plans of single-cycle degree programmes of the Faculty of Medicine. E.g.: Physical Education, Romanian Language, Bulgarian Language; etc.

## 5. Certificate of Italian Language Proficiency

As last year, given the difficulties and delays in administering Italian language tests abroad due to the Covid-19 pandemic, the Board will grant a partial waiver from the requirement set out in point 3.3 of the Regulations for assessing applications for admission to years subsequent to Year I of the single-cycle Master's degree programme in Medicine in English - IMS.

Non-Italian mother-tongue applicants to Year III or to subsequent years, who do not hold the certificate set out in point 3.3 of the Regulations, are required to pass a B2 Italian language test. The test will take place online at 11 am on 17 September.

Further information will be provided to admitted candidates after publication of the assessments of admission applications.
