| K07 | JUVIN                | MAELIS MELINE AGATHE |

**NOTA:** Si precisa che, come previsto da Regolamento Excellence, una quota di borse di studio è stata riservata agli studenti che supereranno i test di ammissione per i corsi di laurea magistrale ad accesso programmato e per il corso di laurea magistrale a ciclo unico in Medicina e Chirurgia - International Medical School, pertanto questa quota di borse sarà assegnata solo successivamente.

**PLEASE NOTE:** It should be noted that, as provided for the Excellence Regulations, a number of grants has been reserved for students who will pass the admission tests for the Master's degree programmes with limited enrolment and for the single-cycle Master's degree programme International Medical School, therefore the missing number of scholarships will be awarded in a successive moment to these courses.
