

REGULATIONS FOR THE ACCESS OF THE STUDENTS TO THE UNIVERSITY RESIDENCES

1. GENERAL RULES VALID FOR ALL THE STUDENTS

According to the current national provisions, from 1st September 2021, all the students in order to access to all the University spaces, including the residences, must hold and are required to show the COVID-19 GREEN PASS certification.

The Covid-19 Green Pass attests one of the following conditions:

- a) Having received a vaccination against COVID-19, that means having received the first shot of vaccine or a single-dose vaccine from at least 15 days, or having completed the full vaccination course (9 months validity);
- b) Having recovered from COVID -19 with the simultaneous end of the quarantine provided for SARS-CoV-2 infection (6 months validity);
- c) Having tested negative to a SARS-CoV-2 molecular or antigenic swab (validity 48 hours);

2. SPECIFIC INDICATION FOR INTERNATIONAL STUDENTS

International students can be in one of the following situations:

- 1- **Student not in possession of the COVID-19 Green Pass but holder of an equivalent certification issued in accordance with the directions of the Ministry of Health dated 30th July. (PLEASE READ BELOW THE REQUIREMENTS)***
- 2- **Student who has not received any vaccine.** While waiting to receive the first shot, it will be necessary to be tested with a swap each 48 hours. Lombardy region has started a vaccination campaign for all the international students, including those still not enrolled in the NHS.
- 3- **Student who has completed a vaccination course with a vaccine not approved by EMA.** Students will be required to be vaccinated with an EMA recognized vaccine. While waiting the indication of the Ministry of health about the time frame between the last non EMA shot and the new EMA shot, students are required to be tested with a swap each 48 hours.

**Situation 1: Information About Equivalent Certification*

To be accepted, the vaccination certifications, in accordance with the EU Recommendation n. 2021/816 of 20 May 2021, must display at least the following contents:

- identification data of the holder (name, surname, date of birth),
- details of the vaccine (name and batch),
- the date/dates of administration of the vaccine,
- identification of who issued the certificate (State, Health Authority).

The certifications, in paper and/or digital format, must be written at least in one of the following languages:

- Italian;
- English;

- French;
- Spanish

If the certificate was not issued in one of the four languages indicated, it must be accompanied by a certified translation.

The validity of the vaccination certificates is the same as for the green certification COVID-19 (EU Digital COVID Certificate) issued by the Italian State.

For the above uses vaccines accepted in Italy and authorized by EMA are:

- Comirnaty (Pfizer-Biontech);
- Spikevax (Moderna);
- Vaxzevria (Astrazeneca);
- Janssen (Johnson & Johnson).

The certification of recovery from COVID-19 must display at least the following contents:

- identification data of the holder (name, surname, date of birth),
- information on the infection from COVID-19 of the holder, following a positive swab (date of the first positive swab),
- Identification of who issued the certificate (State, Health Authority).

The certifications, in paper and/or digital format, must be accompanied by a certified translation.

The validity of the recovery certificates is the same as for the Green certification

Situation 2 and 3: how to book the vaccine

3. GENERAL PROCEDURE ON HOW TO BOOK THE VACCINE (VALID FOR ALL THE STUDENTS)

From Monday 16th August university students including the ones from other regions and foreigners, will be allowed to book an appointment to get their COVID-19 vaccination through the following platform: prenotazionevaccinicoovid.regione.lombardia.it

In order to access the reservation it is necessary to fill the dedicated page with **tax code** and **health card number** and subsequently carry out the reservation as indicated in those screenshots:

The screenshot shows the website for Regione Lombardia. The navigation bar includes: Regione Lombardia, Prenotazione in Lombardia, Come prenotare online, Prenotazione Postamat, Prenotazione portalettere, Piano vaccinale, and Serve aiuto?. The main content area has a green background with the slogan "Più siamo, prima vinciamo." and "Campagna vaccinazione anti COVID-19". A white box titled "Prenotazione online" lists eligible groups: Cittadini **Over 60** (vaccinazione ad accesso libero), Cittadini **18-59 anni**, Cittadini **12-17 anni**, Cittadini **estremamente vulnerabili**, and Cittadini con **disabilità grave**. A red box highlights a green button with a hand icon and the text "Prenota il vaccino". Below the button, it says "Per maggiori informazioni consulta il Piano vaccinale".
