REGULATIONS FOR THE ACCESS OF THE FOREIGN STUDENTS TO THE UNIVERSITY OF MILAN

(Classrooms, dorms, offices, all the spaces)

According to the current national provisions, there are two different type of Covid-19 Green Pass: Green Pass BASE (Regular) and Green Pass RAFFORZATO (OR SUPERGREEN PASS – enforced)

The Covid-19 Green Pass BASE (regular) attests one of the following conditions:

a) Having received a vaccination against COVID-19, that means having received the first shot of vaccine or a single-dose vaccine from at least 15 days, or having completed the full vaccination course;

b) Having recovered from COVID -19 with the simultaneous end of the quarantine provided for SARS-CoV-2 infection;

c) Having tested negative to a SARS-CoV-2 molecular or antigenic swab (validity 48 hours);

The COVID-19 Green Pass RAFFORZATO (Enforced) attests one of the following conditions:

a) Having received a vaccination against COVID-19, that means having received the first shot of vaccine or a single-dose vaccine from at least 15 days, or having completed the full vaccination course;

b) Having recovered from COVID -19 with the simultaneous end of the quarantine provided for SARS-CoV-2 infection;

Regarding the access to the University spaces it has been established as follows:

ACCESS TO CLASSROOMS, LIBRARIES, SECRETARIAT BUILDINGS AND ALL THE SPACES: COVID-19 Green Pass BASE (regular)

ACCESS TO THE UNIVERSITY DORMS: COVID-19 Green Pass RAFFORZATO (Enforced). Thus the negative SWAB will not consent the access to the dorms.

International students can be in one of the following situations:

1- **Student not in possession of the COVID-19 Green Pass but in possess of a recovery certification issued abroad, with a certification of vaccine exemption issued abroad or holder of an equivalent vaccine certification issued in accordance with the directions of the Italian Ministry of Health: in order to request the equivalent Green Pass certification students are required to follow the on-line procedure better specified below (situation 1).**

2- **Student who has not received any vaccine.** It will be possible to receive the vaccine in Italy: Lombardy region has started a vaccination campaign for all the international students, including those still not enrolled in the NHS. For information on how to start the vaccine cycle please read the information specified below (situation 2 and 3).

3- **Student who has completed a vaccination course with a vaccine not approved by EMA.** Students can receive an EMA vaccine booster shot after 28 days up to 6 months after the last shot of NON EMA vaccine. If more than 6 months have passed from the last shot of a NON EMA vaccine, students can start a full cycle
of EMA vaccination. For information on how to book a booster or start the vaccine cycle please read the information specified below (situation 2 and 3).

SITUATION 1: EQUIVALENT CERTIFICATION

The vaccines accepted in Italy and authorized by EMA are:
1. All the vaccines that are traded by the same authorization holders of the EU
2. Covishield (Serum Institute of India), licensed by AstraZeneca
3. R-CoVI (R-Pharm), licensed by AstraZeneca
4. Covid-19 vaccine-recombinant (Fiocruz), licensed by AstraZeneca - Comirnaty (Pfizer-BioNtech)

To be accepted, the vaccination certifications, in accordance with the EU Recommendation n. 2021/816 of 20 May 2021, must display at least the following contents:
- identification data of the holder (name, surname, date of birth),
- details of the vaccine (name and batch),
- the date/dates of administration of the vaccine,
- identification of who issued the certificate (State, Health Authority).

The certifications, in paper and/or digital format, must be written at least in one of the following languages:
- Italian;
- English;
- French;
- Spanish

If the certificate was not issued in one of the four languages indicated, it must be accompanied by a certified translation.

The validity of the vaccination certificates is the same as for the green certification COVID-19 (EU Digital COVID Certificate) issued by the Italian State.

For the above uses vaccines accepted in Italy and authorized by EMA are:
- Comirnaty (Pfizer-Biontech);
- Spikevax (Moderna);
- Vaxzevria (Astrazeneca);
- Janssen (Johnson & Johnson).

The certification of recovery from COVID-19 must display at least the following contents:
- identification data of the holder (name, surname, date of birth),
- information on the infection from COVID-19 of the holder, following a positive swab (date of the first positive swab),
- identification of who issued the certificate (State, Health Authority).

The certifications, in paper and/or digital format, must be accompanied by a certified translation.

Upload your foreign vaccination certificate
If you have not been vaccinated but you have healed from COVID-19, you will need to answer NO to the vaccination question and then fill the last part of the form as follows:
Finally, confirm and send the request:

ATS Milan (Milan Health office) will take care of your request and if the certification will hold all the requirements indicated in the Ministry of Health guidelines, students will receive an email with a code and a link to download the green pass.

Please note: After having sent the request on the ATS website, no confirmation email will be sent by the system.

The certification will be issued in around 15-20 working days.
SITUATION 2 AND 3: HOW TO BOOK THE VACCINE
From Monday 16th August university students including the ones from other regions and foreigners, will be allowed to book an appointment to get their COVID-19 vaccination through the following platform: prenotazionevaccinicovid.regione.lombardia.it

In order to access the reservation it is necessary to fill the dedicated page with **tax code** and **health card number** and subsequently carry out the reservation as indicated in those screenshots:
After that you will be required to select “Cittadino straniero con codice fiscale/code univoco” and fill with your data as indicated above:

It may happen not to be able to directly access to the booking form. In this case the following notice will appear:

Students will need to click on “Richiedi abilitazione” and fill the contact form:
ATS will collect the data and will send a SMS to confirm the authorization. Once the message will be received, it will be possible to access the booking from the link:

prenotazionevaccinocovid.regione.lombardia.it

It will be necessary to repeat the first two steps of the procedure.

**INFORMATION ON HOW TO BOOK A VACCINE FOR STUDENTS NOT ENROLLED IN THE NHS**

It is possible to make a vaccine pre-accession even if a student is not enrolled in the NHS.

Students however must be in possession of the **Italian Fiscal Code**. The tax code or “codice fiscale” is an identification code that is required to open a current account or sign contracts. Citizens residing abroad can obtain it from the Italian consular or diplomatic mission in their country of residence.

In Italy it can be requested from your local “Ufficio delle Entrate” (Income Revenue Office).

A complete list of offices in the Lombardy region is available at http://lombardia.agenziaentrate.it/. Remember to bring your passport with you.
In order to send the pre-accession application it will be needed to follow the procedure as indicated in the screenshots:

Sei uno straniero in possesso del codice STR, di un Codice Fiscale italiano o di un Codice Univoco ad 11 cifre emesso dalla Prefettura, effettua una richiesta di abilitazione alla prenotazione al seguente link.

I caregiver di Disabili Gravi e i conviventi di Persone Estremamente Vulnerabili devono accedere con i dati del soggetto Disabile Grave o Estremamente Vulnerabile (anche se già vaccinato) e procedere con la prenotazione.
Once you will have received the confirmation SMS confirming that you have been authorized, you will need to book on line using the same link of before:

prenotazionevaccinocovid.regione.lombardia.it

and then access the procedure as follows:
INFORMATION ABOUT ENROLLMENT IN THE NHS

Due to the current pandemic emergency, we highly recommend international students to enroll into the NHS.

In order to register, Extra-European students will first need to apply for the permit to stay.
