Call For Ideas *NON SOLO LIMITI* a.a.2022-2023

Third Mission project: *Civic University*

The University of Milan launches *NON SOLO LIMITI*, an awareness campaign geared to the entire University community within the frame of the Third Mission project *Civic University*. The campaign is part of the University activities to guarantee the right to education for detainees, thanks to the agreement with the Regional Board of Correctional Facility Administration (PRAP).

The *NON SOLO LIMITI* campaign aims to collect project ideas, best practices, education programmes, recreational activities, prevention activities, interventions as well as dissemination, tutoring and scientific research – possibly with a multidisciplinary approach – to support and take care of people deprived of their freedom for being offenders.

Expectations:

Project proposals such as actions, workshops, didactic activities, teaching activities, tutoring, scientific research etc. to support and take care of people deprived of their freedom for being offenders.

Potential Proponents:

Professors, researchers, doctoral students, research fellows, research associates, temporary researchers (type A and B), students, technical-administrative and library staff of the University of Milan.

Steps to be followed: The *NON SOLO LIMITI* awareness campaign for the a.y. 2022/2023 consists of four STAGES:

1st STAGE

Submission of project proposals from 11 April to 20 June at 11:59 pm.

To participate,

click on the link below and fill in the form to send a new project:

https://elixforms.unimi.it/rwe2/module_preview.jsp?MODULE_TAG=TerzaMissione_nonSOLOlimiti2023&IATL=it&ELANG=en

If you want to consolidate a project launched in the previous edition, click on the link below and fill in the corresponding form:

https://elixforms.unimi.it/rwe2/module_preview.jsp?MODULE_TAG=TerzaMissione_nonSOLOlimiti2023_consolidamento&IATL=it&ELANG=en

Social and Volunteer Projects Office

By filling in the relevant form, your application, together with your proposal, will be sent to the email address nonsololimiti@unimi.it.

2nd STAGE

- Presentation and discussion of the project proposals by the applicants
- Shortlisting and assessment of submitted proposals by an ad-hoc committee

Shortlisting will be carried out according to the following assessment criteria:

| ASSESSMENT CRITERIA | SCORE |
|---|-----------------|
| 1) Project quality in terms of a) consistency and relevance of topics b) skills involved | max. 40 points |
| 2) Project originality and innovation | max. 15 points |
| 3) Impact and potential of expected outcomes and follow-up possibilities | max. 15 points |
| 4) Feasibility*, including cost adequacy and relevance | up to 30 points |

* Projects have to be given prior authorization by the relevant correctional facility, in compliance with the limited access regulations that these facilities impose.

3rd STAGE

Submission of the shortlisted project proposals to the academic bodies.

4th STAGE

Notification of the shortlisting outcomes and presentation of project abstracts to the Correctional Facilities for the feasibility study and subsequent launch of the projects.

UNIVERSITÀ DEGLI STUDI DI MILANO

Direzione Innovazione e Valorizzazione delle Conoscenze

Social and Volunteer Projects Office

If you want to participate in the Call, please submit your project proposal no later than 20 June 2023 at 11:59 pm.

The resources available for selected projects, in compliance with the [Administration, finance and accounting Regulations of the University](#), will be distributed until exhaustion based on how projects eligible for funding will have been ranked.

For further information regarding application procedures, documents and deadlines, please contact the Social and Volunteer Projects Office and Social Innovation Sector at email address nonsololimiti@unimi.it.

Thank you for your attention and collaboration.

Best regards,

Mr Roberto Tiezzi
