MEASURES DURING EXAMS

- ☐ Additional Time (30%)
- ☐ Different exam option (oral or written)
- ☐ Taking exam in multiple parts (but, this isn't about a reduction of the exam program)
- ☐ Mind maps
- ☐ Non scientific calculator
- ☐ A reader in case of written exams
- ☐ PC (for written exams)
- ☐ Further:

For special examination arrangements, please send an e-mail to the professor, with our office in carbon copy (serviziotsa@unimi.it), at least 15 days before the exam date. In the e-mail, you may specify the measures you are requesting according to your needs and medical evidence, attaching this personal document. Eventual mind maps must be attached to the e-mail of request, since Professors can propose changes and/or reductions of the material sent. Regarding "Taking exam in multiple parts", the request must be sent to the instructor well in advance, at the beginning of the course, or whilst lectures are still being held.
