Date at the applicant's choosing

Applicants register via form: https://forms.gle/BaGSKDPP5kySwS2z9

Registration is available via Google form, whose link is indicated above. Registration is open exclusively to those applicants who will have submitted their admission application, already examined by the relevant Committee, and who will have received an access code by SLAM to be entered when filling in the form.
Test registration will close at noon on the third working day before the test.
Applicants must not register for dates reporting the following warning: 'FULLY BOOKED' or 'REGISTRATION CLOSED'.
Should applicants choose these sessions anyways, their registration will not be deemed as valid and they will have to register for a different session.

Useful information to choose the preferred test delivery mode:

IN-PERSON tests are held in an IT lab of the University of Milan at a preset time and last one hour. The test in use is the Oxford Placement test. Visit the 'Test notification and running' section for further information and Oxford sample tests.
