Please note that 50 scholarships have been allocated to open-access master's degree programmes and that a portion of the scholarships has been reserved for students who will pass the admission tests for the master's degree courses with limited access and for the single-cycle master's degree course in International Medical School; therefore, this part of scholarships will be allocated later between September and October.

Students on this list must complete the steps indicated in the allocation email which they have received at their email address.

To confirm the scholarship, it will be necessary to enrol in the course indicated in the table by 31st July.
